(g) **Ratings Event**

(i) **S&P Rating Event**

(A) In the event that neither Party A (or its successor or assignee) nor any Credit Support Provider or guarantor in respect of Party A from time to time has the Initial S&P Required Rating (an "**Initial S&P Rating Event**") then:

(i) Party A will, so long as such Initial S&P Rating Event is continuing, at its own cost, within the Initial Remedy Period provide collateral to the extent required to do so in accordance with the terms of the Credit Support Annex; and

(ii) Party A may, at any time following the occurrence of an Initial S&P Rating Event that is continuing, at its own discretion and at its own cost:

(1) subject to Part 5(q) (*Transfers*) below, transfer all of its rights and obligations with respect to this Agreement to a replacement third party which is an S&P Eligible Replacement (provided that if neither the replacement third party nor its guarantor has the Initial S&P Required Rating at the time such transfer occurs, such replacement third party will provide collateral to the extent required to do so in accordance with the terms of the Credit Support Annex or obtain a guarantee of its rights and obligations with respect to this Agreement from an Eligible Guarantor that has the Initial S&P Required Rating); or

(2) procure an Eligible Guarantor that has at least the Initial S&P Required Rating to become co-obligor or guarantor in respect of the obligations of Party A with respect to this Agreement; or

(3) take such other action (which may, for the avoidance of doubt, include taking no action) as will result in the rating of the Relevant Notes then outstanding following the taking of such action (or inaction) being maintained at, or restored to, at least the level it was at immediately prior to such Initial S&P Rating Event.

If any of sub-paragraphs (g)(i)(A)(ii)(1), (g)(i)(A)(ii)(2) or (g)(i)(A)(ii)(3) above are satisfied at any time, all collateral (or the equivalent thereof, as appropriate) transferred by Party A pursuant to sub-paragraph (g)(i)(A)(i) and in accordance with the Credit Support Annex will, unless otherwise required by virtue of the operation of this Part 5(g) (*Ratings Event*), be transferred to Party A in accordance with the Credit Support Annex and, for so long as no other Initial S&P Rating Event occurs, Party A will not be required to transfer any additional collateral under the Credit Support Annex in respect of this Part 5(g)(i)(A).

- (B) In the event that neither Party A (or its successor or assignee) nor any Credit Support Provider or guarantor in respect of Party A from time to time has the Subsequent S&P Required Rating (a "**Subsequent S&P Rating Event**") then Party A shall, so long as such Subsequent S&P Rating Event is continuing, use commercially reasonable efforts to take, within the Subsequent Remedy Period, at its own cost, one of the following actions:
- (1) subject to Part 5(q) (*Transfers*) below, transfer all of its rights and obligations with respect to this Agreement to a replacement third party which is an S&P Eligible Replacement (provided that if neither the replacement third party nor its guarantor has the Initial S&P Required Rating at the time such transfer occurs, such replacement third party will provide collateral to the extent required to do so in accordance with the terms of the Credit Support Annex or obtain a guarantee of its rights and obligations with respect to this Agreement from an Eligible Guarantor that has the Initial S&P Required Rating); or
 - (2) procure an Eligible Guarantor that has at least the Subsequent S&P Required Rating to become co-obligor or guarantor in respect of the obligations of Party A with respect to this Agreement; or
 - (3) take such other action (which may, for the avoidance of doubt, include taking no action) as will result in the rating of the Relevant Notes then outstanding following the taking of such action (or inaction) being maintained at, or restored to, at least the level it was at immediately prior to such Subsequent S&P Rating Event.

If any of sub-paragraphs (g)(i)(B)(1), (g)(i)(B)(2) or (g)(i)(B)(3) above are satisfied at any time, all collateral (or the equivalent thereof, as appropriate) transferred by Party A pursuant to sub-paragraph (g)(i)(A)(i) and in accordance with the Credit Support Annex will, unless otherwise required by virtue of the operation of this Part 5(g) (*Ratings Event*), be

transferred to Party A in accordance with the Credit Support Annex and, for so long as no other Initial S&P Rating Event occurs, Party A will not be required to transfer any additional collateral under the Credit Support Annex pursuant to Part 5(g)(i)(A)(i).

- (C) If and for so long as the Class A Notes are downgraded by S&P and as a result are rated below AA+ by S&P for reasons other than Party A's failure to perform its obligations under this Agreement or failure to comply with the requirements of the S&P Criteria (as defined in the Credit Support Annex) with respect to swap counterparties, references to the relevant S&P rating triggers in the definitions of Initial S&P Required Rating and Subsequent S&P Required Rating set out in (D) below shall be deemed instead to refer to the corresponding S&P rating triggers which are required pursuant to and in accordance with "Replacement Option 1" in Table 4 of the S&P Criteria (as defined in the Credit Support Annex) to support a maximum potential rating equal to the then current rating of the Class A Notes.
- (D) For the purposes of this Agreement:

"Eligible Guarantor" means a guarantor that has agreed to become co-obligor or guarantor in respect of the obligations of Party A under this Agreement, pursuant to a guarantee which complies with S&P's applicable guarantee criteria as set out in S&P's Structured Finance report entitled "Guarantee Criteria – Structured Finance" dated 7 May 2013 (or such criteria as may amend or replace such report prior to the entry of the guarantor into such guarantee) (the **"S&P Guarantee Criteria"**).

An entity will have the **"Initial S&P Required Rating"** if the long-term unsecured, unsubordinated and unguaranteed debt obligations of that entity are rated at least as high as "A" or its equivalent by S&P and the short-term unsecured, unsubordinated and unguaranteed debt obligations of that entity are rated at least as high as "A-1" or its equivalent by S&P.

"Initial Remedy Period" means, in respect of an Initial S&P Rating Event, the period from (but excluding) the date on which such Initial S&P Rating Event occurs to (and including) the later of: (i) the 10th Business Day following (but excluding) the date on which such Initial S&P Rating Event occurs; and (ii) if Party A has, on or before the 10th Business Day following the date on which such Initial S&P Rating Event occurs, delivered to S&P a written proposal for collateral posting and S&P has notified Party A or Party B that it will not take any action to downgrade the Relevant Notes, the 20th Business Day following (but excluding) the date on which such Initial S&P Rating Event occurs. If the Initial S&P Rating Event occurs as a result of Party A being a replacement third party, Transferee or Novation Transferee pursuant to Part 5(g)(i)(A)(ii)(1), Part 5(g)(i)(B)(1) or Part

5(q) (*Transfers*) below, where neither the replacement third party, Transferee or Novation Transferee, nor any Credit Support Provider or guarantor in respect of such replacement third party, Transferee or Novation Transferee has the Initial S&P Required Rating at the time such replacement or transfer occurs, there will be no Initial Remedy Period in respect of such Initial S&P Rating Event.

"*S&P Eligible Replacement*" means either (i) an entity that has the Subsequent S&P Required Rating, or (ii) an entity whose obligations to Party B under this Agreement or New Agreement (as defined in Part 5(q)(v)), as the case may be, are guaranteed by an Eligible Guarantor that has the Subsequent S&P Required Rating.

An entity will have the "*Subsequent S&P Required Rating*" if the long-term unsecured, unsubordinated and unguaranteed debt obligations of that entity are rated at least as high as "BBB+" or its equivalent by S&P.

"*Subsequent Remedy Period*" means in respect of a Subsequent S&P Rating Event, the period from (but excluding) the date on which such Subsequent S&P Rating Event occurs to (and including) the later of: (i) the 60th calendar day following (but excluding) the date on which such Subsequent S&P Rating Event occurs; and (ii) if Party A has, on or before the 60th calendar day following the date on which such Subsequent S&P Rating Event occurs, delivered to S&P a written proposal setting out the remedial action it is to take and S&P has notified Party A or Party B that it will not take any action to downgrade the Relevant Notes, the 90th calendar day following (but excluding) the date on which such Subsequent S&P Rating Event occurs.

(ii) **Moody's Rating Event**

(A) So long as the Transfer Trigger Requirements apply, Party A will, at its own cost, use commercially reasonable efforts to, as soon as reasonably practicable, either (1) procure an Eligible Guarantee in respect of all of its present and future obligations under this Agreement from a guarantor with a Qualifying Transfer Trigger Rating or (2) transfer its rights and obligations under this Agreement to a Moody's Eligible Replacement.

(B) For the purposes of this Agreement:

"*Business Day*" shall have the meaning set out in the Confirmation in respect of the Transaction under this Agreement.

"*Eligible Guarantee*" means an unconditional and irrevocable guarantee that is provided by a guarantor as principal debtor rather than surety and is directly enforceable by Party B, where (I) such guarantee provides that if a guaranteed obligation cannot be performed without an action being taken by Party A, the guarantor

shall use commercially reasonable efforts to procure that Party A takes such action, including the payment of any necessary, properly incurred and reasonable costs in relation to such action, (II)(A) a law firm has given a legal opinion, disclosed to S&P on a non-reliance basis, subject to usual qualifications and assumptions, confirming that none of the guarantor's payments to Party B under such guarantee will be subject to withholding or deduction for or on account of tax, (B) such guarantee provides that, in the event that any of such guarantor's payments to Party B are subject to withholding or deduction for or on account of tax, such guarantor is required to pay such additional amount as is necessary to ensure that the net amount actually received by Party B (free and clear of any withholding or deduction for or on account of tax) will equal the full amount Party B would have received had no such withholding or deduction been required or (C) in the event that any payment (the "**Primary Payment**") under such guarantee is made net of deduction or withholding for or on account of tax, Party A is required under this Agreement to make such additional payment (the "**Additional Payment**") as is necessary to ensure that the net amount actually received by Party B from the guarantor (free and clear of any tax) in respect of the Primary Payment and Additional Payment will equal the full amount Party B would have received had no such deduction or withholding been required (assuming that the guarantor will be required to make a payment under such guarantee in respect of the Additional Payment), (III) the guarantor waives any right of set-off in respect of payments under such guarantee, and (IV) such guarantee shall also comply with the S&P Guarantee Criteria.

The "**Collateral Trigger Requirements**" shall apply so long as no Relevant Entity has a Qualifying Collateral Trigger Rating and Party A has not obtained, if relevant, a rating agency confirmation from Moody's on each occasion as may be relevant in respect thereof or the terms of any such rating agency confirmation from Moody's are subsequently breached.

"**Firm Offer**" means an offer which, when made, was capable of becoming legally binding upon acceptance.

An entity has a "**Qualifying Collateral Trigger Rating**" if its long-term, unsecured and unsubordinated debt or counterparty obligations are rated A3 or above by Moody's.

Party B under this Agreement or its replacement (as applicable) are guaranteed pursuant to an Eligible Guarantee provided by a guarantor with a Qualifying Transfer Trigger Rating.

"**Relevant Entities**" means Party A and any guarantor under an Eligible Guarantee in respect of all of Party A's present and future obligations under this Agreement and "**Relevant Entity**" means any one of them.

The "**Transfer Trigger Requirements**" apply so long as no Relevant Entity has a Qualifying Transfer Trigger Rating and Party A has not obtained, if relevant, a rating agency confirmation from Moody's on each occasion as may be relevant in respect thereof or the terms of any such rating agency confirmation from Moody's are subsequently breached.

(iii) **Rating Event Implications**

Each of the following provisions (A) to (C) (inclusive) is without prejudice to the consequences of Party A (a) breaching any provision of this Agreement other than the subparagraph of Part 5(g) (*Ratings Event*) to which each such provision refers or (b) failing to post collateral under the Credit Support Annex in accordance with the requirements of any rating agency other than the rating agency to which each such provision refers.

- (A) **Moody's Implications.** An Additional Termination Event shall occur with Party A as Affected Party if (A) the Transfer Trigger Requirements apply and 30 or more Local Business Days have elapsed since the last time the Transfer Trigger Requirements did not apply and (B) at least one Moody's Eligible Replacement has made a Firm Offer that would, assuming the occurrence of an Early Termination Date, qualify as a Market Quotation (on the basis that paragraphs (i) and (ii) in Part 5(p) below (*Close-Out Calculations*) apply) and which remains capable of becoming legally binding upon acceptance.
- (B) **S&P Implications.** If, at the time an Initial S&P Rating Event occurs and is continuing, Party A does not, within the Initial Remedy Period, take at least one of the actions pursuant to sub-paragraph (i)(A) of this Part 5(g) (*Ratings Event*), such failure shall not be or give rise to an Event of Default but shall constitute an Additional Termination Event with respect to Party A which shall be deemed to have occurred on the next Business Day following the last day of the Initial Remedy Period (if any) with Party A as the sole Affected Party and all Transactions as Affected Transactions.
- (C) Further, if, at the time a Subsequent S&P Rating Event occurs and is continuing, even if Party A continues to post collateral as required by sub-paragraph (i)(A) of this Part 5(g) (*Ratings Event*), Party A does not, within the Subsequent Remedy Period, take at least one of the actions described in sub-paragraph (i)(B)(1), (2) or (3) of this Part 5(g) (*Ratings Event*), such failure shall not be or give rise to an Event of

Default but shall constitute an Additional Termination Event with respect to Party A which will be deemed to have occurred on the next Business Day following the last day of the Subsequent Remedy Period with Party A as the sole Affected Party and all Transactions as Affected Transactions.

(iv) **Rating Agency Announcements**

If either of Moody's or S&P makes any public announcement after 5.00 p.m. London time or on any day that is not a Local Business Day in London in respect of any of the long term or short term ratings of Party A or any Credit Support Provider or guarantor in respect of Party A, such announcement shall for the purposes of this Agreement be deemed to have been made on the next following Local Business Day in London.

(h) **Modifications to Representations**

The Agreement is amended by the insertion after Section 14 of an additional Section 15, reading in its entirety as follows:

"15. Relationship between the Parties

Each party will be deemed to represent to the other party on the date on which it enters into a Transaction that (absent a written agreement between the parties that expressly imposes affirmative obligations to the contrary for that Transaction):

"**Additional Amounts**" means any amounts equal to any additional amounts (if any) paid by Party A in accordance with Section 2(d)(i)(4) of this Agreement.

"Withheld Amount" means an amount equal to any withholding or deduction made by Party B in accordance with Section 2(d) of this Agreement,

provided that there will be no double counting in relation to any Tax credit, allowance, set off or repayment from the tax authorities of any jurisdiction which is received by Party B and is paid directly to Party A in accordance with Part 5(k)(iv) below.

This paragraph is the "Withholding Compensation Amounts Provision" referred to in certain of the Relevant Documents (as defined in the Deed of Charge).

- (iii) Where Party B pays a Withholding Compensation Amount, Party A undertakes as follows:
- (A) to the extent that Party A obtains any Tax credit, allowance, set-off or repayment from the tax authorities of any jurisdiction relating to the deduction or withholding that gave rise to such Withholding Compensation Amount, it shall forthwith pay to Party B so much of the cash benefit (as calculated below) relating thereto (the "**Cash Benefit A**") which it has received as will leave Party A in substantially the same position as Party A would have been in if no such deduction or withholding had been required;
 - (B) the Cash Benefit A shall be equal to,
 - (1) in the case of a Tax credit, allowance or set-off, the additional amount of Tax which would have been payable by Party A but for such Tax credit, allowance or set-off; or
 - (2) in the case of a repayment, the amount of such repayment;together, in either case, with any related interest or similar payment obtained by it;
 - (C) the Cash Benefit A shall be taken to be received:
 - (1) in the case of a Tax credit, allowance or set-off, (I) on the date when Party A becomes entitled to the Tax credit, allowance or set-off if Party A has made a provision for the additional amount of Tax otherwise payable which provision is able to be released on that date, or (II) on the date when the additional amount of Tax would have been payable if no such provision has been made; or
 - (2) in the case of a repayment, on the date when the repayment is made;
 - (D) it will use all reasonable endeavours to obtain any Tax credit, allowance, set-off or repayment as soon as is reasonably practicable and shall supply Party B with a reasonably detailed explanation of

its calculation of the amount of any such Tax credit, allowance, set-off or repayment and of the date on which it becomes entitled to the same, or in the case of repayment, the same is received; and

- (E) it will use all reasonable endeavours to utilise in accordance with its accounting policies any Tax credit, allowance or set-off which would otherwise be unutilised.

Where Party B pays a Withholding Compensation Amount as a result of the withholding of a Withheld Amount, Party B undertakes to use reasonable endeavours to identify to Party A the withholding or deduction that has given rise to such payment.

- (iv) Where an Additional Amount arises, Party B undertakes as follows:

- (A) to the extent that Party B obtains any Tax credit, allowance, set-off or repayment from the tax authorities of any jurisdiction relating to the deduction or withholding that give rise to such Additional Amount, it shall forthwith pay to Party A so much of the cash benefit (as calculated below) relating thereto (the "**Cash Benefit B**") which it has received as will leave Party B in substantially the same position as Party B would have been in if no such deduction or withholding had been required provided that there will be no double counting in relation to any Additional Amount in respect of which a Withholding Compensation Amount has been paid by Party B to Party A in accordance with Part 5(k)(iii) above;

- (B) the Cash Benefit B shall be equal to,

- (1) in the case of a Tax credit, allowance or set-off, the additional amount of Tax which would have been payable by Party B but for such Tax credit, allowance or set-off; or
- (2) in the case of a repayment, the amount of such repayment;

together, in either case, with any related interest or similar payment obtained by it;

- (C) the Cash Benefit B shall be taken to be received:

- (1) in the case of a Tax credit, allowance or set-off, (I) on the date when Party B becomes entitled to the Tax credit, allowance or set-off if Party B has made a provision for the additional amount of Tax otherwise payable which provision is able to be released on that date, or (II) on the date when the additional amount of Tax would have been payable if no such provision has been made; or
- (2) in the case of a repayment, on the date when the repayment is made;

- (D) it will use all reasonable endeavours to obtain any Tax credit, allowance, set-off or repayment as soon as is reasonably practicable and shall supply Party A with a reasonably detailed explanation of its calculation of the amount of any such Tax credit, allowance, set-off or repayment and of the date on which it becomes entitled to the same, or in the case of repayment, the same is received; and
- (E) it will use all reasonable endeavours to utilise in accordance with its accounting policies any Tax credit, allowance or set-off which would otherwise be unutilised.

(l) ***Security, Enforcement and Limited Recourse***

- (i) Party A agrees with Party B and the Trustee to be bound by the terms of the Deed of Charge and, in particular, confirms that:
 - (A) no sum shall be payable by or on behalf of Party B to it except in accordance with the provisions of the Deed of Charge;
 - (B) unless an Enforcement Notice has been served or unless the Trustee, having become bound to do so, fails to serve an Enforcement Notice and/or to take any steps or proceedings pursuant to the Deed of Charge to enforce the security thereby created:
 - (1) it shall not take any steps whatsoever to direct the Trustee to enforce any security created by or pursuant to the Deed of Charge; and
 - (2) it shall not take any steps for the winding up, dissolution or reorganisation, or for the appointment of a receiver, administrator, administrative receiver, trustee, liquidator, sequestrator or similar officer of Party B or of any or all of its revenues and assets nor participate in any *ex parte* proceedings nor seek to enforce any judgment against Party B, subject to the provisions of the Deed of Charge.

Notwithstanding the above, the provisions of this Part 5(l)(i) are in no way intended to alter the terms set out in the Deed of Charge and to the extent that any conflict arises between the terms of the Deed of Charge and this Part 5(l)(i), the terms of the Deed of Charge shall prevail.

- (ii) In relation to all sums due and payable by Party B to Party A, Party A agrees that it shall have recourse only to funds available for the purpose pursuant and subject to the order of priority of payments set out in the Deed of Charge.
- (iii) Notwithstanding the provisions of Section 6 of this Agreement, any notice given by Party A designating an Early Termination Date shall be given to the Trustee in respect of the Deed of Charge, with a copy to Party B. In the event that service of an Enforcement Notice occurs following the date of giving of such notice but prior to the date which would otherwise have been

the Early Termination Date, the effective date of such Enforcement Notice shall be the Early Termination Date.

- (iv) If, on any date, after the application of Section 2(c), Party B does not pay the full amount it would otherwise owe under any Transaction (including any default interest under Section 2(e) accruing in respect of a Withholding Compensation Amount but excluding payments to be made pursuant to Section 6) as a result of the limitation contained in Part 5 (l)(i) or Part 5 (l)(ii) above, then:
 - (A) payment by Party B of the shortfall will not then fall due but will instead be deferred until the first Party A Payment Date thereafter on which sufficient funds are available to Party B (subject to Part 5 (l)(i) or Part 5 (l)(ii) above); and
 - (B) failure by Party B to make the full payment under such Transaction (after the application of Section 2(c) to such Transaction) shall not constitute an Event of Default for the purpose of Section 5(a)(i) or Section 5(a)(ii).
- (v) For the avoidance of doubt, if an Early Termination Date results from an Event of Default or an Additional Termination Event, any amounts otherwise payable under this Agreement (the payment of which was deferred or not paid in the circumstances described under Part 5 (l)(iv) above) by Party A and by Party B, will be deemed to be Unpaid Amounts (except that any Withholding Compensation Amount shall not constitute an Unpaid Amount for the purposes of this Agreement, but instead shall constitute a separate and independent obligation of the relevant party).
- (vi) Following the calculation thereof, Party B shall notify Party A at least two Business Days in advance of the relevant Payment Date of the amount of any shortfall, the payment of which by Party B is deferred in accordance with Part 5 (l)(iv) above.
- (vii) If any payment of any amounts by Party B is deferred in accordance with Part 5 (l)(iv) above then the amount so deferred (the "**Deferred Amount**") shall, subject to the terms of this Agreement, be payable on the next Mortgage Rate Payment Date (together with an additional amount, being the interest accrued on the Deferred Amount for the period of such deferral at the applicable Mortgage Rate) and the Mortgage Rate Amount due on such date shall be deemed to include such amounts.
- (m) **Condition Precedent**

Section 2(a)(iii) shall be amended by the deletion of the words "or Potential Event of Default" in respect only of the obligations under Section 2(a)(i) of Party A.
- (n) **Representations**

Section 3(b) shall be amended by the deletion of the words "or Potential Event of Default" in respect of the representation given by Party B only. For the purpose of Section 3(c), Party A shall be deemed to have no Affiliates.

(p) ***Close-out Calculations***

Notwithstanding Section 6 of this Agreement, if an Early Termination Date is designated at a time when Party A is (A) the Affected Party in respect of an Additional Termination Event or (B) the Defaulting Party in respect of any Event of Default, paragraphs (i) to (vi) below shall apply:

- (i) The definition of "**Market Quotation**" shall be deleted in its entirety and replaced with the following:

""**Market Quotation**" means, with respect to one or more Terminated Transactions, a Firm Offer which is:

- (1) made by a Moody's Eligible Replacement;
- (2) for an amount that would be paid to Party B (expressed as a negative number) or by Party B (expressed as a positive number) in consideration of an agreement between Party B and such Moody's Eligible Replacement to enter into a transaction (the "**Replacement Transaction**") that would have the effect of preserving for Party B the economic equivalent of any payment or delivery (whether the underlying obligation was absolute or contingent and assuming the satisfaction of each applicable condition precedent) by the parties under this Agreement in respect of such Terminated Transactions or group of Terminated Transactions that would, but for the occurrence of the relevant Early Termination Date, have been required after that date;
- (3) made on the basis that Unpaid Amounts in respect of the Terminated Transaction or group of Transactions are to be excluded but, without limitation, any payment or delivery that would, but for the relevant Early Termination Date, have been required (assuming satisfaction of each applicable condition precedent) after that Early Termination Date is to be included;
- (4) made in respect of a Replacement Transaction with terms that are, in all material respects, no less beneficial for Party B than those of this Agreement (save for the exclusion of provisions relating to Transactions that are not Terminated Transactions), as determined by Party B; and
- (5) obtained by Party A or Party B."

- (ii) If Party B elects to determine whether or not a Firm Offer satisfies the condition in sub-paragraph (4) of Market Quotation, it shall do so in a commercially reasonable manner.

- (iii) The definition of "Settlement Amount" shall be deleted in its entirety and replaced with the following:

""**Settlement Amount**" means, with respect to any Early Termination Date:

- (1) if, on or prior to such Early Termination Date, a Market Quotation for the relevant Terminated Transaction or group of Terminated Transactions is accepted by Party B so as to become legally binding,

the Termination Currency Equivalent of the amount (whether positive or negative) of such Market Quotation;

- (2) if, on such Early Termination Date, no Market Quotation for the relevant Terminated Transaction or group of Terminated Transactions has been accepted by Party B so as to become legally binding and one or more Market Quotations have been communicated to Party B and remain capable of becoming legally binding upon acceptance by Party B, the Termination Currency Equivalent of the amount (whether positive or negative) of the lowest of such Market Quotations (for the avoidance of doubt, (i) a Market Quotation expressed as a negative number is lower than a Market Quotation expressed as a positive number and (ii) the lower of two Market Quotations expressed as negative numbers is the one with the largest absolute value); or
 - (3) if, on such Early Termination Date, no Market Quotation for the relevant Terminated Transaction or group of Terminated Transactions has been accepted by Party B so as to become legally binding and no Market Quotations have been communicated to Party B and remain capable of becoming legally binding upon acceptance by Party B, Party B's Loss (whether positive or negative and without reference to any Unpaid Amounts) for the relevant Terminated Transaction or group of Terminated Transactions."
- (iv) If Party B requests Party A in writing to obtain Market Quotations, Party A shall use its reasonable efforts to do so before the Early Termination Date.
 - (v) At any time on or before the Early Termination Date at which two or more Market Quotations have been communicated to Party B and remain capable of becoming legally binding upon acceptance, Party B shall be entitled to accept only the lowest of such Market Quotations (for the avoidance of doubt, (i) a Market Quotation expressed as a negative number is lower than a Market Quotation expressed as a positive number and (ii) the lower of two Market Quotations expressed as negative numbers is the one with the larger absolute value).
 - (vi) For the purpose of determining Unpaid Amounts, any payment or delivery obligation which was (or would have been but for Section 2(a)(iii)) required to be performed pursuant to paragraph 2 of the Credit Support Annex shall be disregarded for the purposes of Section 6(e).
- (q) **Transfers**
- (i) Notwithstanding Section 7 of this Agreement and subject to this Part 5(q) (*Transfers*), Part 5(b) (*Security Interest*), and Section 6(b)(ii), neither party may transfer (whether by way of security or otherwise) any interest or obligation in or under this Agreement without the prior written consent of the other party.

- (ii) Subject to giving prior written notification to Party B, Party A may (at its own cost) transfer its rights and obligations with respect to this Agreement to any other entity (a "Transferee") if:
 - (A) the Transferee contracts with Party B on terms that (x) have the same effect as the terms of this Agreement in respect of any obligation (whether absolute or contingent) to make payment or delivery after the effective date of such transfer and (y) insofar as they do not relate to payment or delivery obligations, are, in all material respects, no less beneficial for Party B than the terms of this Agreement immediately before such transfer;
 - (B) unless the Transferee contracts with Party B on terms that are identical to the terms of this Agreement (save for any amendments that are necessary to reflect, or are a natural consequence of, the fact that the Transferee is to be substituted for Party A), Party B has determined that the condition in (A)(y) above is satisfied and communicated such determination to Party A in writing;
 - (C) the Transferee: (1) is an S&P Eligible Replacement; and (2) is a Moody's Eligible Replacement;
 - (D) notice of such transfer has been given to S&P and Moody's;
 - (E) (except where: (i) Party A is, as of the date of such transfer, already paying, or will be liable to pay as at the next Scheduled Payment Date, additional amounts to Party B pursuant to Section 2(d)(i) of this Agreement; and (ii) the Transferee would be required upon a transfer to pay additional amounts to Party B pursuant to Section 2(d)(i) of this Agreement or an equivalent provision in the replacement agreement, as applicable, as of the date of such transfer) as of the date of such transfer, the Transferee will not, as a result of such transfer, be required to make any withholding or deduction for or on account of any Tax in respect of payments made under this Agreement; and
 - (F) as judged immediately prior to the proposed transfer, a Termination Event or Event of Default will not occur as a direct result of such transfer.
- (iii) If Party B elects to determine whether or not a transfer satisfies the condition in (ii)(A)(y) above, it shall do so in a commercially reasonable manner.
- (iv) Following a transfer in accordance with Part 5(q)(ii), all references to Party A shall be deemed to be references to the Transferee.
- (v) Notwithstanding Part 5(q)(ii) above and subject to Part 5(q)(vi) below, Party A (for the purposes of this Part 5(q)(v) and Part 5(q)(vi) below, the "**Novation Transferor**") may (at its own cost) transfer by novation all its rights, liabilities, duties and obligations with respect to this Agreement, including the Transaction hereunder, to any other entity (a "**Novation**

Transferee") with the effect that Party B, the Trustee and the Novation Transferee will enter into a new agreement (a "**New Agreement**"), including a new transaction thereunder (a "**New Transaction**"), each having terms identical to this Agreement and the Transaction hereunder, respectively, if each of the following provisions (1) – (5) (inclusive) are satisfied:

- (1) the Novation Transferor and the Novation Transferee deliver to Party B and the Trustee a duly completed and executed Novation Certificate on or prior to the applicable Novation Effective Date;
 - (2) the Novation Transferee is (i) a Moody's Eligible Replacement; and (ii) an S&P Eligible Replacement;
 - (3) as judged immediately prior to the applicable Novation Effective Date, a Termination Event or Event of Default will not occur under the New Agreement as a direct result of such novation; and
 - (4) the Novation Transferor or the Novation Transferee has delivered, on or prior to the applicable Novation Effective Date, a legal opinion prepared by a reputable law firm and addressed to Party B and the Trustee confirming that, as of the Novation Effective Date, the Novation Transferee will not, as a result of the novation, be required to make any withholding or deduction for or on account of any Tax in respect of payments made under the New Agreement.
- (vi) Provided that each of the provisions (1) to (4) (inclusive) in Part 5(q)(v) above have been satisfied, with effect from and including the Novation Effective Date and in consideration of the representations, warranties and covenants contained in the Novation Certificate, Party B and the Trustee agree for the benefit of the Novation Transferor and the Novation Transferee that:
- (1) the Novation Transferor will be released and discharged from further obligations to Party B and the Trustee with respect to this Agreement, including the Transaction hereunder, other than those obligations and liabilities with respect to payments or other obligations due and payable or due to be performed by the Novation Transferor on or prior to the Novation Effective Date;
 - (2) their respective rights against the Novation Transferor with respect to this Agreement, including the Transaction hereunder, will be cancelled other than their rights with respect to payments or other obligations due and payable or due to be performed by the Novation Transferor on or prior to the Novation Effective Date;
 - (3) with respect to payments or other obligations due and payable or due to be performed by Party B or the Trustee respectively on or prior to the Novation Effective Date, all such payments and obligations shall be paid or performed by Party B or the Trustee (as applicable) in accordance with the terms of this Agreement, including the Transaction hereunder;

- (4) they will, in assuming their positions under the New Agreement, including the New Transaction thereunder which shall be identical to their respective positions under this Agreement and the Transaction hereunder, undertake liabilities and obligations towards, and acquire rights against the Novation Transferee under the New Agreement, including the New Transaction thereunder, which shall be identical to those which Party B and the Trustee respectively had under this Agreement and the Transaction hereunder, save for any rights, liabilities or obligations that they have with respect to payments or other obligations due and payable or due to be performed on or prior to the Novation Effective Date; and
- (5) the New Transaction shall be governed by and form part of the New Agreement (which shall be evidenced by means of this Agreement as deemed to be modified to be consistent with Part 5(q)(v) above, this Part 5(q)(vi) and the Novation Certificate) and the Confirmation in respect of the Transaction (which, in conjunction and as deemed modified to be consistent with Part 5(q)(v) above, this Part 5(q)(vi) and the Novation Certificate, shall be deemed to be a Confirmation between Party B, the Trustee and the Novation Transferee).

(vii) For the purposes of this Agreement:

"Novation Certificate" means a certificate, substantially in the form of Appendix A (Form of Novation Certificate).

"Novation Effective Date" has the meaning given to such term in the Novation Certificate.

(r) ***Rights of Third Parties***

A person who is not a party to this Agreement has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement provided that this shall not affect any rights of any third party which may be granted in respect of this Agreement pursuant to the terms of the Deed of Charge.

(s) ***Principal Paying Agent Payment***

Party A hereby undertakes with Party B that, unless otherwise agreed between the parties, it will make all payments of all sums payable in respect of this Agreement directly to the Principal Paying Agent. Party B agrees that payment by Party A made in accordance with this provision of an amount due to Party B shall discharge the liability of Party A to the extent of such payment.

(t) ***Successors***

References in this Agreement to Party A and Party B shall (for the avoidance of doubt) include, where appropriate, any permitted successor or assign thereof.

(u) ***Benefit of Agreement***

Any legal entity into which Party A is merged or converted or any legal entity resulting from any merger or conversion to which Party A is a party shall, to the extent permitted by applicable law, be a party to this Agreement in place of Party A without any further act or formality.

(v) ***Severability***

Any provision of this Agreement which is prohibited (for reasons other than those constituting an illegality) or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of the Agreement or affecting the validity or enforceability of such provision in any other jurisdiction unless the severance shall substantially impair the benefits of the remaining portions of this Agreement or change the reciprocal obligations of the parties.

(w) ***Optional Termination***

Party B may at any time, in the event of the sale prior to the final redemption of the Notes or the early redemption of or the enforcement of any mortgage which has been hedged by a Transaction under this Agreement, give not less than three Business Days' notice (an "**Optional Termination Notice**") of its intention to terminate, in whole or in part, that Transaction, provided that any such termination shall not adversely affect the rating provided by Moody's or S&P in respect of the Notes. Such termination shall be effective on the date (the "**Optional Termination Date**") which is the next Party A Interest Payment Date after the date on which such notice is given by Party B (or, if such notice is given less than three Business Days before such next Party A Interest Payment Date, the following Party A Interest Payment Date), such notice to specify the Transaction (the "**Relevant Transaction**") and the percentage of the Notional Amount thereof to be so terminated (the "**Terminated Portion**"), provided that the parties hereto may at any time agree that the Optional Termination Date in respect of a Terminated Portion shall be earlier than the date which would otherwise be applicable under this paragraph. In this event, notwithstanding the provisions of Section 5 and Section 6 of the Agreement, Party A shall determine the "**Market Value**" (as defined below) with respect to the Terminated Portion and the following provisions shall apply:

- (i) If the Market Value so determined is a negative number, Party B shall pay the absolute value of that amount to Party A on the Optional Termination Date, provided that any such payment shall be made in accordance with the order of priority of payments, as agreed between Party B and Party A pursuant to the Deed of Charge.
- (ii) If the Market Value so determined is a positive number, notwithstanding anything to the contrary in the Agreement or this Schedule, Party A will not be obliged to pay any amount in respect of the Terminated Portion to Party B on the Optional Termination Date but the following shall occur:
 - (A) in the event that the Terminated Portion of the Relevant Transaction is less than 100% of the Notional Amount, Party A will be obliged to pay

Annuity Payments (as defined below) to Party B on each Party A Interest Payment Date specified for the original Transaction following the Optional Termination Date; or

- (B) in the event that, the Relevant Transaction has terminated in whole, Party A will be obliged to pay Annuity Payments on each Party A Interest Payment Date which would have occurred under the Relevant Transaction had it not been terminated in whole in accordance with this paragraph(s);

it being further provided that, despite the Relevant Transaction having been terminated in whole or in part, the remaining obligations of the parties as specified in this sub-paragraph (ii) shall survive and shall be deemed to constitute a Transaction from the Optional Termination Date (for which this sub-paragraph (ii) constitutes the Confirmation).

"Annuity Payment" means such amounts as Party B and Party A may agree on the date on which Party A receives the relevant Optional Termination Notice in respect of a transaction under which Party A will pay a fixed annuity payment to Party B on each Party A Interest Payment Date which would fall during the period commencing on (and including) the first Party A Interest Payment Date which falls after the Optional Termination Date and ending on (and including) the Party A Interest Payment Date on which the Relevant Transaction would otherwise have expired if it had not been terminated (in whole or in part) pursuant to this Part 5(w) in consideration of a payment of an amount equal to the Market Value of the Terminated Portion on the Optional Termination Date which would have been payable to Party B if upon termination Party A had made a termination payment in the form of one payment on the Optional Termination Date equal to Market Value (the **"Annuity Terms"**). If Party B and Party A cannot so agree, Party A shall at or about 11.00 a.m. London time two Business Days prior to the Optional Termination Date in accordance with customary market practice request four leading banks in the market for transactions in sterling to provide their quotes for the annuity payments which they would make on the basis of the Annuity Terms. If more than three quotes are provided, the highest quote (or, if there is more than one such highest quote, one only of such quotes) and lowest quote (or if there is more than one such lowest quote, one only of such quotes) will be disregarded and the Annuity Payments to be made by Party A shall be the arithmetic mean of the remaining quotes. If exactly three quotes are provided, then Annuity Payments to be made by Party A shall be the quote remaining after disregarding the highest quote and the lowest quote. However, if less than three quotes are provided (or if exactly three quotes are provided and two of such quotes are the same), then Party A shall determine the Annuity Payments to be made by it in good faith and in a reasonable manner and it may (but need not) determine the Annuity Payments by reference to quotes of relevant rates or prices from one or more leading dealers in the relevant market.

Upon the Optional Termination Date subject to paragraph(s) (i) and (ii) above, the obligations of both parties with respect to the Terminated Portion of the Relevant Transaction shall be discharged in full (subject to reinstatement should any sums subsequently be recovered by, or on behalf of, the party making the payment) and the Notional Amount of the Transaction outstanding shall be reduced accordingly.

"**Market Value**" shall be the amount (which may be positive or negative) agreed by Party B and Party A on the date on which Party A receives the relevant Optional Termination Notice to be payable by Party B to Party A (expressed as a negative if an amount would be payable to Party B) on the relevant Optional Termination Date upon termination of the Terminated Portion of the Relevant Transaction. In the event that the parties cannot so agree, Party A shall request, at or about 11.00 a.m. London time two Business Days prior to the Optional Termination Date, in accordance with customary market practice, from four leading banks in the market for Transactions in Sterling, the amount in Sterling that would be paid to Party A (expressed as a negative) or by Party A (expressed as a positive) in consideration of a transaction on substantially the same terms as the Terminated Portion of the Relevant Transaction commencing on the Optional Termination Date. If more than three quotes are provided, the highest quote (or, if there is more than one such highest quote, one only of such quotes) and lowest quote (or, if there is more than one such lowest quote, one only of such quotes) will be disregarded and "Market Value" shall be the arithmetic mean of the remaining quotes. If exactly three quotes are provided, then Market Value shall be the quote remaining after disregarding the highest quote and the lowest quote. However, if less than three quotes are provided (or if exactly three quotes are provided and two of such quotes are the same), then Party A shall determine the Market Value in good faith and in a reasonable manner and it may (but need not) determine the Market Value by reference to quotes of relevant rates or prices from one or more leading dealers in the relevant market.

(x) ***NFC Representation***

- (i) Party B represents to Party A as at the date of this Agreement and on each date on which a Transaction is entered that it is an NFC-.
- (ii) Party B will notify Party A if at any time it ceases to be an NFC-.
- (iii) Notwithstanding anything to the contrary in this Agreement, if the representation set out in Part 5(x)(i) above proves to have been incorrect or misleading in any material respect when made (or deemed repeated) by Party B, neither a Termination Event nor an Event of Default will occur in respect of this Agreement.
- (iv) For the purposes of this Agreement:

"**EMIR**" means Regulation (EU) No 648/2012 of the European Parliament and of the Council on OTC derivatives, central counterparties and trade repositories dated 4 July 2012; and

"**NFC-**" means a non-financial counterparty (as such term is defined in EMIR) that is not a non-financial counterparty referred to in Article 10 of EMIR.

(y) ***Timely Confirmation***

- (i) Section 9(e)(ii) is hereby amended by:

- (A) replacing the word "practicable" with the word "possible" in the third line thereof;
 - (B) inserting "or by such other method intended by the parties to be effective for the purpose of confirming or evidencing such Transaction" immediately before the words "which in each case will be sufficient" in the fifth line thereof; and
 - (C) inserting a new Part 9(e)(iii) as follows:

"In respect of each Relevant Confirmation Transaction, Party A and Party B will use reasonable efforts acting in good faith and a commercially reasonable manner to ensure each Relevant Confirmation Transaction is confirmed by the Timely Confirmation Deadline."
- (ii) Without prejudice to the rights, powers, remedies and privileges provided by law, failure by a party to comply with its obligations under Part 5(y) will not constitute an Event of Default or a Termination Event under the Agreement.
 - (iii) For the purposes of this Agreement:
 - (A) "**CCP**" means a central clearing house authorised under Article 14 of EMIR or recognised under Article 25 of EMIR;
 - (B) "**Cleared**" means, in respect of a Transaction, that such Transaction has been submitted (including where details of such Transaction are submitted) to a CCP for clearing in a relevant CCP Service and that such CCP has become a party to a resulting or corresponding transaction, as applicable, pursuant to such CCP's Rule Set;
 - (C) "**CCP Service**" means in respect of a CCP, an over-the-counter derivative clearing service offered by such CCP;
 - (D) "**Relevant Confirmation Transaction**" means any Transaction which is not Cleared and which was entered into on or following the Timely Confirmation Start Date between the parties;
 - (E) "**Rule Set**" means, with respect to a CCP Service, the relevant rules, conditions, procedures, regulations, standard terms, membership agreements, collateral addenda, notices, guidance, policies or such other documents promulgated by the relevant CCP and amended and supplemented from time to time;

Notwithstanding any other provisions herein, Party A may, at any time during the term of this Agreement, notify Party B that certain provisions, rules, regulations, directions, processes, guidelines and procedures relating to EMIR (including, without limitation, any associated regulatory technical standards and advice, guidance or recommendations from relevant supervisory regulators) have been clarified, updated, delivered, amended, modified or become operative or applicable (the "**New EMIR Requirements**") and, as a result, require the amendment or modification of this Agreement to meet the New EMIR Requirements. Party A and Party B agree to use reasonable endeavours to cooperate with each other to determine and reach agreement on the terms of, and to execute, such amended and restated Agreement.

If this Agreement is not so amended or modified to meet the New EMIR Requirements within 30 Business Days (or such longer period as may be agreed between Party A and Party B) following a notice made in accordance with Part 5(z)(*Amendment Regarding EMIR*) by Party A to Party B (the "**Amendment Deadline**"), it will constitute an Additional Termination Event for purposes of Section 5(b)(v); provided that no such Additional Termination Event shall occur if the failure to so amend or modify this Agreement is caused by any commercially unreasonable action or inaction of Party A or the Trustee. If this Additional Termination Event occurs, Party B shall be the sole Affected Party and all Transactions then outstanding between the parties shall be Affected Transactions.

(aa) *Amendment to Priority of Payments or Relevant Documents*

Party B hereby covenants in favour of Party A that it shall not agree to any amendment to the Revenue Priority of Payments, Principal Priority of Payments, the Enforcement Priority of Payments or any Relevant Document that it considers to be materially prejudicial to Party A without first gaining the prior written consent of Party A.

Part 6. Risk Mitigation

Portfolio Reconciliation

(1) For the avoidance of doubt, this Part 6 shall not apply to the Trustee, and it shall have no obligations under this Part 6, and references to "party" or "parties" shall not include references to it.

(2) Agreement to Reconcile Portfolio Data

The parties agree to reconcile portfolios as required by the Portfolio Reconciliation Risk Mitigation Techniques.

- (a) **One-way Delivery of Portfolio Data.** If one party is a Portfolio Data Sending Entity and the other party is a Portfolio Data Receiving Entity:
 - (i) on each Data Delivery Date, the Portfolio Data Sending Entity will provide Portfolio Data to the Portfolio Data Receiving Entity;
 - (ii) on each PR Due Date, the Portfolio Data Receiving Entity will perform a Data Reconciliation;
 - (iii) if the Portfolio Data Receiving Entity identifies one or more discrepancies which such party determines, acting reasonably and in good faith, are material to the rights and obligations of the parties in respect of one or more Relevant Transaction(s), it will notify the other party in writing as soon as reasonably practicable and the parties will consult with each other in an attempt to resolve such discrepancies in a timely fashion for so long as such discrepancies remain outstanding using, without limitation, any applicable updated reconciliation data produced during the period in which such discrepancy remains outstanding; and
 - (iv) if the Portfolio Data Receiving Entity does not notify the Portfolio Data Sending Entity that the Portfolio Data contains discrepancies by the Affirmation Deadline, the Portfolio Data Receiving Entity will be deemed to have affirmed such Portfolio Data at the Affirmation Deadline;
- (b) **Exchange of Portfolio Data.** If both parties are Portfolio Data Sending Entities:
 - (i) on each Data Delivery Date, each party will provide Portfolio Data to the other party;
 - (ii) on each PR Due Date, each party will perform a Data Reconciliation; and
 - (iii) if a party identifies one or more discrepancies which such party determines, acting reasonably and in good faith, are material to the rights and obligations of the parties in respect of one or more Relevant Transaction(s), it will notify the other party in writing as soon as

reasonably practicable and the parties will consult with each other in an attempt to resolve any such discrepancies in a timely fashion for so long as such discrepancies remain outstanding using, without limitation, any applicable updated reconciliation data produced during the period in which such discrepancy remains outstanding; or

- (c) **Alternate Process.** If both parties are Portfolio Data Receiving Entities, the parties will agree a process for reconciling Portfolio Data in order to meet the requirements of the Portfolio Reconciliation Risk Mitigation Techniques.

(3) Change of Status

- (a) Each party may change its own designation:
 - (i) from Portfolio Data Receiving Entity to Portfolio Data Sending Entity, by one month's written notice to the other party; and
 - (ii) from Portfolio Data Sending Entity to Portfolio Data Receiving Entity, with the agreement of the other party (such agreement not to be unreasonably withheld or delayed). If, as a result of any such change of designation, both parties will be Portfolio Data Receiving Entities, Part 6(2)(c) will apply.
- (b) If a party believes, acting reasonably and in good faith, that the parties are required to perform Data Reconciliation at a greater or lesser frequency than that being used by the parties at such time, it will notify the other party of such in writing, providing evidence on request. From the date such notice is effectively delivered, such greater or lesser frequency will apply and the first following PR Due Date will be the date agreed between the parties or, in the absence of such agreement, the first Joint Business Day occurring on or immediately following the date such notice is effective.

(4) Use of agents and third party service providers

Without prejudice to (2) above, for the purposes of this Part 6, each party may appoint (a) an agent by not less than one month's written notice to the other party; and/or (b) subject to the other party's agreement, a qualified and duly mandated third party service provider, in either case to perform or otherwise act on the appointing party's behalf in respect of all or part of the actions required under Parts 6(2) and 6(3).

Dispute Resolution

(5) Dispute Identification and Resolution Procedure

The parties agree to use the following procedure to identify and resolve Disputes between them:

- (a) either party may identify a Dispute by sending a Dispute Notice to the other party;
- (b) on and following the Dispute Date, the parties will consult in good faith to resolve the Dispute in a timely manner, including, without limitation,

exchanging any relevant information and by identifying and using any Agreed Process which can be applied to the subject of the Dispute or, where no such Agreed Process exists or the parties agree that such Agreed Process would be unsuitable, determining and applying a resolution method for the Dispute; and

- (c) with respect to any Dispute that is not resolved within five Joint Business Days, escalate issues internally to appropriately senior members of staff in addition to actions under (b) immediately above.

(6) Internal processes for recording and monitoring Disputes

Each party agrees that it will have internal procedures and processes in place to record and monitor any Dispute for as long as the Dispute remains outstanding.

Common Provisions

(7) Relationship to other portfolio reconciliation and dispute resolution processes

(a) This Part 6 and any action or inaction of either party in respect of it are without prejudice to any rights or obligations the parties may possess in respect of each other under any Agreed Process or other contractual agreement, by operation of law or otherwise. Action or inaction by a party in respect of this Part 6 will not be presumed to operate as an exercise or waiver, in whole or part, of any right, power or privilege such party may possess in respect of each other under any Agreed Process or other contractual agreement, by operation of law or otherwise. In particular, but without limitation, (i) any Valuation in respect of one or more Relevant Transactions which is agreed between the parties for the purposes of this Part 6 will be without prejudice to any other valuation with respect to such Relevant Transaction(s) made for collateral, close out, dispute or other purpose; (ii) the parties may seek to identify and resolve issues and discrepancies between themselves before either party delivers a Dispute Notice; and (iii) nothing in this Part 6 obliges a party to deliver a Dispute Notice following the identification of any such issue or discrepancy (notwithstanding that such issue or discrepancy may remain unresolved) or limits the rights of the parties to serve a Dispute Notice or otherwise to pursue any dispute resolution process in respect of the Agreement or any Credit Support Document.

(b) Notwithstanding anything to the contrary in this Part 6, the parties may in good faith agree to any other procedure for the identification and/or resolution of any discrepancy or dispute between them, whether in addition to or in substitution of the procedures set out in this Part 6.

(8) Remedies for Breach

Without prejudice to the rights, powers, remedies and privileges provided by law, failure by a party to take any actions required by or to otherwise comply with this Part 6 will not constitute an Event of Default or Termination Event under the Agreement.

(9) Notice Procedures

Each notice to be delivered between the parties in accordance with this Part 6 will be effective if delivered in the manner agreed between the parties including, without limitation, pursuant to Section 12 of the Agreement.

- (1) to the extent required or permitted under the provisions of EMIR and any applicable supporting law, rule or regulation ("**EMIR and Supporting Regulation**") which mandate reporting and/or retention of transaction and similar information or to the extent required or permitted under, or made in accordance with, any order or directive in relation to (and including) EMIR and Supporting Regulation regarding reporting and/or retention of transaction and similar information issued by any authority or body or agency in accordance with which the other party is required or accustomed to act ("**Reporting Requirements**"); or
