3. FORM OF, ISSUE OF AND DUTIES AND TAXES ON, GLOBAL NOTES; ISSUE OF DEFINITIVE NOTES

3.1 Issue of Global Notes

- (a) The Notes of each class will be issued initially in global fully registered form without interest coupons, deposited with (i) the Common Depositary as custodian for, and registered in the name of, or a nominee of, the Common Depositary or (ii) in the case of the Class A Notes, with the Common Safekeeper, for the respective accounts of Euroclear and Clearstream, Luxembourg.

The Global Notes shall be exchangeable to the extent provided in Clauses 3.8 and 3.9.

A Global Note so executed, authenticated and (in the case of the Global Class A Note) effectuated shall be a binding and valid obligation of the Issuer, notwithstanding that such duly authorised person no longer holds that office at the time the Registrar authenticated the relevant Global Notes. Each Note shall be dated the date of its authentication.

The Issuer may use on any of the Global Notes the facsimile signature of any person who is a director of the Issuer on the date such signature is affixed notwithstanding the fact that when such Global Notes shall be delivered such person may have ceased to be a director.

- (d) The Issuer shall procure that, prior to the issue and delivery of each Note, each Note and Global Note shall not be valid for any purpose unless and until so authenticated and (in the case of the Global Class A Note) effectuated.

- (f) Title to the Notes shall only pass by and upon the registration in the Register in respect thereof in accordance with the provisions of the Agency Agreement.
- (g) Until it (or part thereof) has been exchanged pursuant to this Trust Deed, each Global Note (or part thereof) shall in all respects be entitled to the same benefits as a Definitive Note as the case may be and each Global Note shall be subject to the provisions of this Trust Deed except that the relevant Noteholder thereof shall be the only person entitled to receive payments of principal and interest as set out therein.
- (h) The procedures as regards the exchange, authentication, effectuation, delivery, surrender, cancellation and presentation of the Global Notes, and the procedures as regards marking down of the Global Notes (or part thereof), and any other matters to be carried out by the relevant parties upon such exchange (in whole or part) shall be made in accordance with the provisions of the relevant Global Notes, the Agency Agreement and the rules and procedures of Euroclear and Clearstream, Luxembourg, as applicable, for the time being. If any Note is mutilated, defaced, lost, stolen or destroyed, such Note shall, upon evidence of such mutilation, defacement, loss, theft or destruction being given to the Issuer and the Trustee, become void and the Issuer shall procure that immediately after the Registrar is provided with such evidence the Registrar shall deliver to the registered Holder thereof a duly executed and authenticated replacement Global Note or Definitive Note, as the case may be in accordance with Condition 11 and the Agency Agreement.
- (i) The Issuer may in its sole discretion demand that the Holder of any interest in a Global Note held by a U.S. person at the time of acquisition of such interest, if such acquisition occurred prior to the first Business Day that is 40 days after the later of the commencement of the offering of the Notes and the Closing Date, in each case, sell such interest to a Holder that is permitted to hold such interest in accordance with the terms of this Deed and, if the Holder does not

comply with such demand within 30 days of such demand, the Issuer may sell such Holder's interest in such Notes.

3.2 Issue of Definitive Notes

- (a) If:
- (i) either Euroclear and Clearstream, Luxembourg is closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or announces an intention permanently to cease business; or
 - (ii) as a result of any amendment to, or change in, the laws or regulations of the United Kingdom (or of any political sub-division thereof) or of any authority therein or thereof having power to tax or in the interpretation by such an authority or a court of, or in the administration of, such laws or regulations which becomes effective on or after the Closing Date, the Issuer or any Paying Agent is or will be required to make any deduction or withholding from any payment in respect of the Notes which would not be required were the relevant Notes in definitive physical form,

then the Issuer shall (at the Issuer's expense and subject to Clause 3.2(c) below), within 30 days of the occurrence of the relevant event, but in any event not prior to the expiry of the Distribution Compliance Period, issue Definitive Notes in exchange for the whole (or the remaining part(s) outstanding) of the relevant Global Note.

- (b) The procedures to be carried out by the relevant parties upon such exchange shall be made in accordance with the provisions of the relevant terms of the relevant Global Note in respect of which exchange is to be made, this Trust Deed and the Agency Agreement and the relevant rules and procedures of Euroclear and Clearstream, Luxembourg, as applicable, for the time being. For the avoidance of doubt, if Definitive Notes are issued, the beneficial interests represented by a Global Note shall be exchanged by the Issuer for Definitive Notes of the class of Notes represented by that Global Note.
- (c) Notwithstanding the foregoing provisions of this Clause 3.2, the Issuer shall not be obliged to issue Definitive Notes until the later of (a) the first Business Day following the expiry of the Distribution Compliance Period, and (b) 30 days after the occurrence of the relevant event or request. All such Definitive Notes shall be held by the Principal Paying Agent and shall not be delivered to the relevant Noteholders until the same are requested to be so delivered. The records in the Register in relation to each Global Note shall be marked-down in respect of those Definitive Notes which are so delivered, as appropriate.

- 3.3 The Issuer shall notify the Trustee forthwith upon the occurrence of any of the events referred to in Clauses 3.2(a)(i) or 3.2(a)(ii) and shall, unless the Trustee agrees otherwise, promptly give notice thereof and of its obligations to issue Definitive Notes to the relevant Noteholders in accordance with Condition 12 as the case may be.

- 3.4 If Definitive Notes are issued, such Definitive Notes shall be payable or distributable to the relevant Noteholder in the form set out in Schedule 2, and the Definitive Notes shall be issued in the denominations specified in Condition 1(c), as applicable, (each serially numbered) and shall be endorsed with the relevant Conditions. Title to the Definitive Notes shall pass by and upon the registration in the Register in respect thereof in accordance with the provisions of the Agency Agreement.
- 3.5 If Definitive Notes are issued, such Definitive Notes shall be issued only in registered form and signed manually or in facsimile by two of the directors of the Issuer. The Issuer may use the facsimile signature of any person who at the date of printing of the Definitive Notes is a Director of the Issuer notwithstanding that at the time of issue of any of the Definitive Notes he may have ceased for any reason to be the holder of such office and the Definitive Notes so executed shall be binding and valid obligations of the Issuer. The Issuer shall procure that, prior to their issue, the Definitive Notes will be authenticated by an authorised signatory of the Registrar and none of the Definitive Notes appertaining thereto shall be valid for any purpose unless and until so authenticated.
- 3.6 The Issuer will pay any stamp and other duties and taxes payable in the United Kingdom, Belgium, Luxembourg on or in connection with (i) the execution of this Trust Deed (ii) the constitution and original issue and delivery of the Notes and (iii) any action taken by the Trustee or (where permitted under this Trust Deed so to do), any Noteholder to enforce the provisions of the Notes or this Trust Deed.
- 3.7 If the Issuer becomes obliged to issue, or procure the issue of, Definitive Notes pursuant to Clause 3.2(a)(ii) but fails to do so within 30 days of the occurrence of the relevant event described in Clause 3.2(a)(ii) then the Issuer shall indemnify the Trustee and the relevant Noteholders, and keep them indemnified against any loss or damage incurred by any of them if the amount received by the Trustee or the relevant Noteholders is less than the amount that would have been received had Definitive Notes been issued. If and for so long as the Issuer discharges its obligations under this indemnity, the breach by the Issuer of the provisions of Clause 3.2(a)(ii) shall be deemed to be cured *ab initio*.
- 3.8 So long as a Global Note remains outstanding and is held by or on behalf of the Common Depositary or, as the case may be, the Common Safekeeper, transfers of such Global Note, in whole or in part, shall only be made in accordance with this Clause 3.8 and Clause 3.9. Any purported transfer of a Note not in accordance with this Clause 3.8 and Clause 3.9 shall be null and void and shall not be given effect for any purpose. If Definitive Notes have been issued pursuant to Clause 3.2(a) and a holder of an interest in a Global Note, or Definitive Note, as the case may be, wishes to exchange its interest in such Note for an interest in a Global Note or Definitive Note, as the case may be, or to transfer its interest in such Note to a person who wishes to take delivery thereof in the form of an interest in a Global Note or Definitive Note, such holder, subject to the rules and procedures of Euroclear, Clearstream, Luxembourg, as the case may be, may exchange or transfer such interest for an equivalent beneficial interest in a Global Note or Definitive Note, as the case may be. Any such transfers or exchanges may only be made in accordance with the terms of this Trust Deed and the Notes.

- (d) Such Beneficial Noteholder is aware that, except as otherwise provided in this Trust Deed, Notes being sold to it, if any, in reliance on Regulation S will be represented by one or more permanent Global Notes, and that beneficial interests therein may be held only through Euroclear or Clearstream, Luxembourg.

- (f) Such Beneficial Noteholder understands that the Issuer will treat the Notes as indebtedness for U.S. federal income tax purposes. Such Beneficial Noteholder agrees to treat its interest in the Notes for U.S. federal income tax purposes as indebtedness.

4. COVENANT OF COMPLIANCE

The Issuer hereby covenants with the Trustee that it will comply with and perform and observe all the provisions of this Trust Deed which are expressed to be binding on it. - (b) the Trustee shall not be obliged to agree to any modification which, in the sole opinion of the Trustee would have the effect of (i) exposing the Trustee to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (ii) increasing the obligations or duties, or decreasing the rights or protection, of the Trustee in the Relevant Documents and/or this Deed.

- 20.2 The Issuer and the Trustee may call for and shall be at liberty to accept and place full reliance on as sufficient evidence thereof a certificate or letter or confirmation signed on behalf of Euroclear or Clearstream, Luxembourg or any form of record made by either of them to the effect that at any particular time or throughout any particular

period any particular person is, was, or will be, shown in its records as entitled to a particular interest in a Global Note.

The Issuer shall indemnify the Trustee and the Noteholders and keep them indemnified against:

- (a) any loss or damage incurred by any of them arising from the non-payment by the Issuer of any amount due in a particular currency (the "**Required Currency**") to the Trustee or the relevant Noteholders under this Trust Deed or the relevant Notes by reason of any variation in the rates of exchange between those used for the purposes of calculating the amount due under a judgment or order in respect thereof, which amount is expressed in a currency (the "**Actual Currency**") other than the Required Currency, and under which the Trustee and the Noteholders do not have an option to have such judgment or order expressed in the Required Currency, and those prevailing at the date of actual payment by the Issuer; and

The Issuer hereby irrevocably appoints the Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the provisions of this Trust Deed) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Trustee by this Trust Deed) and such duties and obligations as shall be conferred or imposed by the instrument of appointment. The Trustee shall have power in like manner to remove any such person. Such reasonable remuneration as the Trustee may pay to any such person, together with any attributable costs, charges and expenses properly incurred by it in performing its function as such separate trustee or co-trustee shall for the purposes of this Trust Deed be treated as costs, charges and expenses incurred by the Trustee.

The Issuer undertakes that in the event of the only trustee hereof which is a Trust Corporation giving notice under this Clause or being removed by Extraordinary Resolution it will use its best endeavours to procure a new trustee of this Trust Deed being a Trust Corporation to be appointed as soon as reasonably practicable thereafter. The retirement or removal of any such trustee shall not become effective until a successor trustee being a Trust Corporation is appointed.

8. Every resolution submitted to a meeting shall (subject to paragraph 20) be decided by a simple majority, in the first instance by a show of hands, then (subject to paragraph 9) by a poll and in case of equality of votes the Chairman shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) to which he may be entitled as a Noteholder (in the case of Definitive Notes) or as a proxy.
9. At any meeting (unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman or the Issuer or by two or more persons present being Holders of Relevant Notes or being proxies in respect thereof and holding or representing not less than 2 per cent. of the aggregate Principal Amount Outstanding of the Relevant Notes) a declaration by the Chairman that a resolution has been carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of that fact without proof of the number or proportion of the votes recorded in favour or against such resolution.
10. Subject to paragraph 12 below, if at any such meeting a poll is so demanded, it shall be taken in such manner and subject as hereinafter provided either at once or after an adjournment as the Chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.
11. The Chairman may with the consent of (and shall if directed by) any such meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.
12. Any poll demanded at any such meeting on the election of a Chairman or on any question of adjournment shall be taken at the meeting without adjournment.
13. The Trustee and its lawyers and any director, officer or employee of a corporation being a trustee of this Trust Deed and any director or officer of the Issuer and the

lawyers of the Issuer and any other person authorised in that behalf by the Trustee may attend and speak at any meeting. Save as aforesaid but without prejudice to the proviso to the definition of "outstanding" in Clause 1 of this Trust Deed, no person shall be entitled to attend and speak nor shall any person be entitled to vote at any meeting of the Noteholders or join with others in requesting the convening of such a meeting or to exercise the rights conferred on the Noteholders by Conditions 9 and 10 unless he either produces the Note(s) of which he is the Holder or a proxy. Subject to the proviso to the definition of "outstanding" in Clause 1 of this Trust Deed, neither the Issuer, the Issue Services Provider, PML, PFPLC nor any of their respective subsidiaries or holding companies or other subsidiaries of such holding companies shall be entitled to vote at any meeting in respect of Notes held beneficially by it or for its account. Nothing herein contained shall prevent any of the proxies named in any Block Voting Instruction from being a director, officer or representative or otherwise connected with the Issuer.

14. Subject as provided in paragraph 13 hereof at any meeting:
 - (a) on a show of hands every person who is present in person and produces a Definitive Note or is a proxy in respect thereof shall have one vote; and
 - (b) on a poll every person who is so present shall have one vote in respect of each £1 in principal amount of the Principal Amount Outstanding of the Relevant Notes so produced or in respect of which he is a proxy.

Without prejudice to the obligations of the proxies named in any Block Voting Instruction any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

15. The proxies named in any Block Voting Instruction need not be Noteholders.
16. Each Block Voting Instruction together (if so required by the Trustee) with proof satisfactory to the Trustee of its due execution on behalf of the Registrar shall be deposited at such place as the Trustee shall approve not less than 24 hours before the time appointed for holding the meeting or adjourned meeting at which the proxies named in the Block Voting Instruction propose to vote and in default of such deposit the Block Voting Instruction shall not be treated as valid unless the Chairman of the meeting decides otherwise before such meeting or adjourned meeting proceeds to business. A notarially certified copy of each Block Voting Instruction shall, unless the Trustee otherwise agrees, be deposited with the Trustee before the commencement of the meeting or adjourned meeting but the Trustee shall not thereby be obliged to investigate or be concerned with the validity of or the authority of the proxies named in any such Block Voting Instruction.
17. Any vote cast in accordance with the terms of a Block Voting Instruction shall be valid notwithstanding the previous revocation or amendment of the Block Voting Instruction or of any of the Noteholder's instructions pursuant to which it was executed **provided that** no intimation in writing of such revocation or amendment shall have been received from the Registrar by the Issuer at its registered office (or such other place as may have been approved by the Trustee for the purpose) by the time being 24 hours before the time appointed for holding the meeting or adjourned meeting at which the Block Voting Instruction is to be used.

18. A meeting of the Noteholders of the Class A Notes, the Class B Notes, the Class C Notes or the Class D Notes, shall in addition to the powers hereinbefore given have the following powers exercisable by Extraordinary Resolution (subject to the provisions relating to quorum contained in paragraphs 5 and 6 above) only, namely:
- (a) Power to sanction any compromise or arrangement proposed to be made between the Issuer and the Class A Noteholders, the Class B Noteholders, the Class C Noteholders or the Class D Noteholders.
 - (b) Power to sanction any abrogation, modification, compromise or arrangement in respect of the rights of the Class A Noteholders, the Class B Noteholders, the Class C Noteholders or the Class D Noteholders, as the case may be, against the Issuer or against any of its property or against any other person whether such rights shall arise under this Trust Deed, any of the Notes or otherwise.
 - (c) Power to assent to any modification of the provisions contained in this Trust Deed, the Class A Notes, the Class B Notes, the Class C Notes or the Class D Notes, as the case may be, (including the Conditions) or the provisions of any of the Relevant Documents which shall be proposed by the Issuer or the Trustee.
 - (d) Power to give any authority or sanction which under the provisions of this Trust Deed or the Class A Notes, the Class B Notes, the Class C Notes or the Class D Notes, as the case may be, (including the Conditions) is required to be given by Extraordinary Resolution.
 - (e) Power to appoint any persons (whether Noteholders or not) as a committee or committees to represent the interests of the Class A Noteholders, the Class B Noteholders, the Class C Noteholders or the Class D Noteholders, as the case may be, and to confer upon such committee or committees any powers or discretions which the Class A Noteholders, the Class B Noteholders, the Class C Noteholders or the Class D Noteholders, as the case may be, could themselves exercise by Extraordinary Resolution.
 - (f) Power to approve of a person to be appointed a trustee and power to remove any trustee or trustees for the time being of this Trust Deed.
 - (g) Power to discharge or exonerate the Trustee from all liability in respect of any act or omission for which the Trustee may have become responsible under this Trust Deed or under the Class A Notes, the Class B Notes, the Class C Notes or the Class D Notes.
 - (h) Power to authorise the Trustee to concur in and execute and do all such deeds, instruments, acts and things as may be necessary to carry out and give effect to any Extraordinary Resolution.
 - (i) Power to sanction any scheme or proposal for the exchange or sale of the Class A Notes, the Class B Notes, the Class C Notes or the Class D Notes, as the case may be, for, or the conversion of the Class A Notes, the Class B Notes, the Class C Notes or the Class D Notes as the case may be, into, or the

cancellation of the Class A Notes, the Class B Notes, the Class C Notes or the Class D Notes, as the case may be, in consideration of shares, stock, notes, bonds, debentures, debenture stock and/or other obligations and/or securities of the Issuer or of any other company formed or to be formed, or for or into or in consideration of cash, or partly for or into or in consideration of such shares, stock, notes, bonds, debenture stock and/or other obligations and/or securities as aforesaid and partly for or into or in consideration of cash.

provided that no Extraordinary Resolution of the Class B Noteholders, the Class C Noteholders or the Class D Noteholders shall be effective unless (a) the Trustee is of the sole opinion that it will not be materially prejudicial to the interests of the Class A Noteholders (and the Class B Noteholders in the case of an Extraordinary Resolution of the Class C Noteholders and the Class B Noteholders and the Class C Noteholders in the case of an Extraordinary Resolution of the Class D Noteholders) or (b) it is sanctioned by an Extraordinary Resolution of the Class A Noteholders (and the Class B Noteholders in the case of an Extraordinary Resolution of the Class C Noteholders) and the Class B Noteholders (and the Class C Noteholders in the case of an Extraordinary Resolution of the Class D Noteholders) or (c) none of the Class A Notes (and the Class B Notes in the case of an Extraordinary Resolution of the Class C Noteholders and the Class B Notes and Class C Notes in the case of an Extraordinary Resolution of the Class D Noteholders) remains outstanding.

19. Subject to the provisos to paragraph 18 above, any resolution passed at a meeting of the Relevant Noteholders duly convened and held in accordance with this Trust Deed shall be binding upon all the Relevant Noteholders whether present or not present at such meeting and whether or not voting irrespective of its effect upon such Relevant Noteholders; and, in such case, each of such Relevant Noteholders shall be bound to give effect to such resolution accordingly and the passing of any such resolution shall be conclusive evidence that the circumstances justify the passing thereof. Notice of the result of the voting on any resolution duly considered by the Relevant Noteholders shall be published in accordance with Condition 12 as the case may be by the Issuer within 14 days of such result being known **provided that** the non-publication of such notice shall not invalidate such resolution.
20. The expression "**Extraordinary Resolution**" when used in this Trust Deed means a resolution passed at a meeting of the Relevant Noteholders duly convened and held in accordance with the provisions herein contained by a majority consisting of not less than 75 per cent. of the persons voting thereat upon a show of hands or if a poll be duly demanded then by a majority consisting of not less than 75 per cent. of the votes given on such poll.
21. Minutes of all resolutions and proceedings at every such meeting as aforesaid shall be made and duly entered in books to be from time to time provided for that purpose by the Issuer and any such Minutes as aforesaid if purporting to be signed by the Chairman of the meeting at which such resolutions were passed or proceedings had shall be conclusive evidence of the matters therein contained and until the contrary is proved every such meeting in respect of the proceedings of which Minutes have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings had thereat to have been duly passed or had.

22. Subject to all other provisions contained in this Trust Deed the Trustee may without the consent of the Issuer or the Noteholders prescribe such further regulations regarding the requisitioning and/or the holding of meetings of Noteholders and attendance and voting thereat as the Trustee may in its sole discretion think fit.
23. References herein to a "**resolution duly passed at a meeting of the Noteholders**" shall include, where the context permits, a resolution in writing signed by or on behalf of all Noteholders who for the time being are entitled to receive notice of a meeting in accordance with the provisions contained in this Trust Deed. Such resolution in writing may be contained in one document or in several documents in like form each signed by or on behalf of one or more of the Noteholders.
24. So long as the Notes are represented by any Global Note, the Holder of a Global Note shall for the purposes of paragraph 5 be deemed to constitute a quorum and for the purposes of this Schedule be deemed to be holding such principal amount of those Notes (up to the Principal Amount Outstanding of those Notes) as the Holder of such Global Notes may specify and able to vote such amount for or against or to abstain from voting in such principal amount as the Holder may specify.

SCHEDULE 4 TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions (subject to completion and amendment, the "**Conditions**") which apply to the Notes and, if Definitive Notes were to be issued, will be endorsed on the Notes. While any Notes remain in global form the Conditions govern them, except to the extent that they are appropriate only to Notes in definitive form.

1. **Issue, Form, Denomination and Title**

(a) *Issue of the Notes to Noteholders pursuant to the Trust Deed*

Paragon Mortgages (No.21) PLC (the "**Issuer**") has issued the "Notes", which comprise:

- (i) the "**Class A Notes**" which comprise the £217,900,000 Class A Notes; and
- (ii) the "**Class B Notes**" which comprise the £17,700,000 Class B Notes; and
- (iii) the "**Class C Notes**" which comprise the £8,100,000 Class C Notes; and
- (iv) the "**Class D Notes**" which comprise the £6,300,000 Class D Notes,

pursuant to a trust deed (the "**Trust Deed**") dated on or about 13 November 2014 or such later date agreed between the Issuer and the Joint Lead Managers for the issue of the Notes (the "**Closing Date**") between the Issuer and Citicorp Trustee Company Limited (the "**Trustee**", which expression shall include its successors as trustee under the Trust Deed) as trustee of the Holders (as defined in Condition 1(d)) for the time being of the Class A Notes (together the "**Class A Noteholders**"), the Holders for the time being of the Class B Notes (together the "**Class B Noteholders**"), the Holders for the time being of the Class C Notes (together the "**Class C Noteholders**"), the holders for the time being of the Class D Notes (together the "**Class D Noteholders**"), and, together with the Class A Noteholders, the Class B Noteholders and the Class C Noteholders, the "**Noteholders**").

In these Conditions "**class**" shall be a reference to a class of the Notes being each or any of the Class A Notes, the Class B Notes, the Class C Notes or the Class D Notes, as the context may require, and "**classes**" shall be construed accordingly.

In these Conditions, "**Rated Notes**" shall mean the Class A Notes, the Class B Notes and the Class C Notes.

The Noteholders will be entitled to the benefit of, will be bound by, and will be deemed to have notice of, all the provisions of the Trust Deed and the Deed of Charge (as defined in Condition 2) and will be deemed to have notice of all the provisions of the Relevant Documents (as defined in Condition 3(a)(i)(B)). Expressions defined in those documents and not otherwise defined in these

Conditions shall where used in these Conditions have the meanings indicated in the Relevant Documents. Certain provisions of these Conditions are summaries of the Relevant Documents and are subject to their detailed provisions. Copies of the Relevant Documents will be available for inspection at the registered office of the Issuer and at the Specified Office for the time being of the Principal Paying Agent.

(b) *Form of the Notes*

Notes will be represented by one or more permanent global notes in fully registered form without interest coupons (each such global note in relation to a class of those Notes being a "**Global Note**").

Each Global Note, save for a Global Note to be held under the New Safekeeping Structure ("**NSS**"), is expected to be deposited with, and registered in the name of, or a nominee of a common depositary (the "**Common Depositary**") for, Euroclear Bank S.A./N.V., as operator of the Euroclear System ("**Euroclear**") and Clearstream Banking, société anonyme, Luxembourg ("**Clearstream, Luxembourg**" and together with Euroclear, the "**Clearing Systems**") on the Closing Date. Global Notes to be held under NSS will be deposited with and registered in the nominee name of the common safekeeper for Euroclear and Clearstream, Luxembourg.

The beneficial interests represented by the Global Note will be exchanged for Notes of the relevant class in definitive registered form (each such Note a "**Definitive Note**") only upon the occurrence of certain limited circumstances specified in the Global Note. Upon such an exchange the aggregate principal amount of the Definitive Notes shall be equal to the Principal Liability Outstanding of the Notes at the date on which notice of exchange is given of the corresponding Global Note subject to and in accordance with the detailed provisions of these Conditions, the Agency Agreement, the Trust Deed and the relevant Global Note. If issued, Definitive Notes will be in the relevant denominations set out below, will be serially numbered and will be issued in registered form only.

(c) *Denomination of the Notes*

The Notes are issued in minimum denominations of £100,000. Each holding of Notes must be an integral multiple of £1,000 and for not less than the relevant minimum denomination.

The "**Note Currency Unit**" in relation to a Note is £0.01.

(d) *Title to the Notes*

The Issuer will cause to be kept at the Specified Office of Citibank, N.A., London Branch as registrar (the "**Registrar**" which expression shall include its successors as registrar under the Agency Agreement) a register (the "**Register**") on which shall be entered the names and addresses of the holders of the Notes and the particulars of such Notes held by them and all transfers and redemptions of such Notes. In these Conditions, the "**Holder**" of a Note

at any time means the person in whose name such Note is registered at that time in the Register (or, in the case of a joint holding, the first named person).

In relation to each Note, the Holder will, to the fullest extent permitted by applicable law, be deemed and treated at all times, by all persons and for all purposes (including the making of payments), as the absolute owner of such Note regardless of any notice to the contrary, any notice of ownership, theft or loss, or of any trust or other interest in that Note or of any writing on that Note (other than the endorsed form of transfer).

No transfer of a Note will be valid unless and until entered on the Register. Transfers and exchanges of beneficial interests in the Global Notes and entries on the Register relating to the Notes will be made subject to any restrictions on transfers set forth on such Notes and the detailed regulations concerning transfers of such Notes contained in the Agency Agreement, the Trust Deed and the relevant legends appearing on the face of the Notes (such regulations and legends being the "**Transfer Regulations**"). Each transfer or purported transfer of a beneficial interest in a Global Note or a Definitive Note made in violation of the Transfer Regulations shall be void ab initio and will not be honoured by the Issuer or the Trustee. The Transfer Regulations may be changed by the Issuer with the prior written approval of the Trustee and the Registrar. A copy of the current Transfer Regulations will be sent by the Registrar to any Holder of a Note who so requests and by the Principal Paying Agent to any Holder of a Note who so requests.

For so long as any Note is represented by a Global Note, transfers and exchanges of beneficial interests in that Global Note and entitlement to payments under that Global Note will be effected subject to and in accordance with the rules and procedures from time to time of Euroclear and/or Clearstream, Luxembourg.

Beneficial interests in a Global Note may be held only through Euroclear or Clearstream, Luxembourg at any time. Prior to the expiry of a 40 day period following the Closing Date, beneficial interests in a Global Note may not be held by a "**U.S. Person**" (as defined in Regulation S under the Securities Act).

2. **Status and Relationship between the Classes of Notes**

The Notes are obligations solely of the Issuer and are not obligations of, or guaranteed by, any other person. The Notes are secured by fixed and floating security over all of the Issuer's assets (the "**Security**") as more particularly described in a deed of sub charge and assignment (the "**Deed of Charge**") dated the Closing Date between the Issuer, the Trustee, Paragon Finance PLC, Paragon Mortgages (2010) Limited, Structured Finance Management Limited, Homeloan Management Limited (the "**Substitute Administrator**"), the Issue Services Provider, the Subordinated Lender and the Hedge Providers.

A.13.4.6

Notes in the same class rank pari passu and rateably without any preference or priority among themselves in their right to receive principal and interest. Prior to the Security

becoming enforceable the Notes rank according to the priority of payments set out in Clause 6.1.2 of the Deed of Charge (the "**Revenue Priority of Payments**") and Clause 6.2 of the Deed of Charge (the "**Principal Priority of Payments**") and from and after the Security becoming enforceable the Notes rank according to the priority of payments set out in Clause 8.2 of the Deed of Charge (the "**Enforcement Priority of Payments**") and, together with the Revenue Priority of Payments and the Principal Priority of Payments, the "**Payments Priorities**"), in each case according to the terms of the Relevant Documents (as defined in Condition 3(a)(i)(B)) and the Notes.

The Trust Deed and the Deed of Charge contain provisions requiring the Trustee to have regard only to the interests of all of the Class A Noteholders, the Class B Noteholders, the Class C Noteholders and the Class D Noteholders as regards all powers, trusts, authorities, duties and discretions of the Trustee (except where expressly provided otherwise), but requiring the Trustee in any such case (a) to have regard only to the interests of the Class A Noteholders if, in the Trustee's opinion, there is a conflict between the interests of the Class A Noteholders and the interests of the Class B Noteholders and/or the Class C Noteholders and/or the Class D Noteholders, (b) (subject to (a)) to have regard only to the interests of the Class B Noteholders if, in the Trustee's opinion, there is a conflict between the interests of the Class B Noteholders and the interests of the Class C Noteholders and/or the Class D Noteholders, (c) (subject to (b)) to have regard only to the interests of the Class C Noteholders if, in the Trustee's opinion, there is a conflict between the interests of the Class C Noteholders and the Class D Noteholders.

3. **Covenants of the Issuer**

- (a) So long as any of the Notes remain outstanding (as defined in the Trust Deed), the Issuer shall not, save to the extent permitted by the Relevant Documents or with the prior written consent of the Trustee:
 - (i) carry on any business other than as described in the Prospectus dated 7 November 2014 relating to the issue of the Notes (and then only in relation to the Mortgages and the related activities described therein) and in respect of that business shall not engage in any activity or do anything whatsoever except:
 - (A) own and exercise its rights in respect of the Security and its interests therein and perform its obligations in respect of the Security including, for the avoidance of doubt, funding Mandatory Further Advances and Discretionary Further Advances;
 - (B) preserve and/or exercise and/or enforce any of its rights and perform and observe its obligations under the Mortgage Sale Agreement, the Notes, the Subscription Agreement and the other agreements relating to the issue of the Notes (or any of them), the Agency Agreement, the CRR Deed of Covenant, the Trust Deed, the Administration Agreement, the Substitute Administrator Agreement, the Substitute Administrator Facilitator Agreement, the Subordinated Loan Agreement, the Mortgages, the Deed of Charge, the Collection Account

Declaration of Trust, each Hedge Agreement, the Issue Services Fee Letter, any other hedging arrangements entered into by the Issuer from time to time, the SFM Corporate Services Agreement, the Paragon Corporate Services Letter, the Insurance Contracts, the other insurances in which the Issuer at any time has an interest, the Cross-collateral Mortgage Rights Deed and all other agreements and documents comprised in the Security for the Notes (all as defined in the Trust Deed, the Deed of Charge or the Mortgage Sale Agreement) (together the "**Relevant Documents**");

- (C) to the extent permitted by the terms of the Deed of Charge or any of the other Relevant Documents, pay dividends or make other distributions to its members out of profits available for distribution in the manner permitted by applicable law;
 - (D) use, invest or dispose of, or otherwise deal with, or agree or attempt or purport to dispose of, any of its property or assets or grant any option or right to acquire the same in the manner provided in or contemplated by the Relevant Documents or for the purpose of realising sufficient funds to exercise its option to redeem Notes in accordance with their respective terms and conditions; and
 - (E) perform any act incidental to or necessary in connection with (A), (B), (C) or (D) above;
- (ii) incur any indebtedness in respect of borrowed money whatsoever or give any guarantee or indemnity in respect of any indebtedness excluding, for the avoidance of doubt, indebtedness under the Deed of Charge, the Trust Deed, the Notes, the Issue Services Fee Letter, the SFM Corporate Services Agreement, the Paragon Corporate Services Letter, each Hedge Agreement, the Substitute Administrator Agreement and the Substitute Administrator Facilitator Agreement, and excluding any borrowing in accordance with the provisions of the Subordinated Loan Agreement;
 - (iii) create any mortgage, sub mortgage, charge, sub charge, pledge, lien or other security interest whatsoever (other than any which arise by operation of law) over any of its assets;
 - (iv) prejudice its eligibility for its corporation tax liability to be calculated in accordance with regulation 14 of the Taxation of Securitisation Companies Regulation 2006;
 - (v) consolidate or merge with any other person or convey or transfer its properties or assets substantially as an entirety to any person, other than as contemplated by the Deed of Charge, the Trust Deed or the Administration Agreement, unless:

- (A) the person (if other than the Issuer) formed by or surviving such consolidation or merger or which acquires by conveyance or transfer the properties and assets of the Issuer substantially as an entirety shall be a person incorporated and existing under the laws of England and Wales, whose main objects are the funding, purchase and administration of mortgages, and which shall expressly assume, by a deed supplemental to the Trust Deed, in a form satisfactory to the Trustee, the due and punctual payment of principal and interest on the Notes and the performance and observance of every covenant in the Trust Deed and in these Conditions on the part of the Issuer to be performed or observed;
 - (B) immediately after giving effect to such transaction, no Event of Default shall have occurred and be continuing;
 - (C) the Trustee is satisfied that the interests of the Noteholders will not be materially prejudiced by such consolidation, merger, conveyance or transfer;
 - (D) the Issuer shall have delivered to the Trustee a legal opinion containing such confirmations in respect of such consolidation, merger, conveyance or transfer and such supplemental deed and other deeds as the Trustee may require; and
 - (E) the then current ratings of the Notes are not adversely affected;
- (vi) permit the validity or effectiveness of the Trust Deed or the Deed of Charge or the priority of the Security created thereby to be amended, terminated, postponed or discharged, or permit any person whose obligations form part of the Security to be released from such obligations;
 - (vii) in a manner which adversely affects the then current ratings of the Notes, have any employees or premises or have any subsidiary; or
 - (viii) have an interest in any bank account, other than the Transaction Account and the Collection Accounts (as defined in the Trust Deed), unless such account or interest is charged to the Trustee on terms acceptable to it.
- (b) So long as any of the Notes remains outstanding the Issuer will procure that there will at all times be one or more persons appointed as administrator of the Mortgages (each an "**Administrator**"). Any appointment of an Administrator is subject to the approval of the Trustee and must be of a person with experience of administration of mortgages in England and Wales. An Administrator will not be permitted to terminate its appointment without, inter alia, the prior written consent of the Trustee and the Issuer. The appointment of the Administrator may be terminated by the Trustee or the Issuer if, among other things, such Administrator is in breach of its obligations under the Administration Agreement, which breach, in the opinion of the Trustee, is

materially prejudicial to the interests of the Most Senior Class and such breach is not remedied or deemed to be remedied in accordance with the terms of the Administration Agreement. Upon the termination of the appointment of the Administrator, the Substitute Administrator will act as Administrator, pursuant to the terms of the Substitute Administrator Agreement, but will have no liability under the Mortgage Sale Agreement.

In these Conditions, "**Most Senior Class**" means the Class A Notes or, if there are no Class A Notes then outstanding, the Class B Notes or, if there are no Class A Notes or Class B Notes then outstanding, the Class C Notes or, if there are no Class A Notes, Class B Notes and Class C Notes then outstanding, the Class D Notes.

4. **Interest**

(a) ***Interest Payment Dates***

Interest shall accrue on a daily basis on the Principal Liability Outstanding (as defined in Condition 5(b)) of each Note from and including the Closing Date.

Subject to Condition 4(b), such accrued interest in respect of each Note ("**Normal Interest**") is due and payable in arrear on 15 March 2015 and thereafter quarterly on each subsequent 15 June, 15 September, 15 December and 15 March or if any such day is not a Business Day (as defined below), the next succeeding Business Day (each such day an "**Interest Payment Date**").

The period beginning on (and including) the Closing Date and ending on (but excluding) the first Interest Payment Date relating to a Note and each successive period beginning on (and including) an Interest Payment Date relating to that Note and ending on (but excluding) the next Interest Payment Date is called an "**Interest Period**".

Normal Interest shall cease to accrue on any part of the Principal Liability Outstanding of a Note as from (and including) the due date for redemption of such part unless payment of principal due is improperly withheld or refused, whereupon Normal Interest shall continue to accrue on such principal at the Rate of Interest (as defined below) from time to time applicable to the Notes of that class until the moneys in respect thereof have been received by the Trustee or the Principal Paying Agent (as defined in the Trust Deed) and notice to that effect is given in accordance with Condition 12.

In these Conditions, "**Business Day**" means a day (other than Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in London.

(b) ***Deferral of Interest on Class B Notes, Class C Notes and Class D Notes, Additional Interest, Default Interest and Allocation of Interest***

(i) On each Interest Payment Date relating to a Class B Note, a Class C Note or a Class D Note the Normal Interest which has accrued on each

Class B Note, Class C Note or a Class D Note during the Interest Period ending on (but excluding) that Interest Payment Date shall be due and payable on that Interest Payment Date only to the extent of the amount to be applied in payment of that Normal Interest on that Interest Payment Date in accordance with paragraphs (vi)(A), (vii)(A), and (viii)(A) below and the remainder of such Normal Interest shall be deferred and from then onwards be treated as Deferred Interest (as defined below) instead of Normal Interest.

In these Conditions "**Deferred Interest**" means, on any date in respect of a Class B Note, Class C Note or a Class D Note the aggregate amount of accrued interest in respect of that Class B Note, Class C Note or a Class D Note which has been deferred under paragraph (i) above and remains outstanding on that date.

- (ii) The full amount of Deferred Interest in relation to a Class B Note, Class C Note or a Class D Note shall be due and payable on the first date upon which the whole Principal Liability Outstanding in respect of that Class B Note, Class C Note or a Class D Note becomes due for redemption and, prior to that date, shall be due and payable on each Interest Payment Date only to the extent of the amount to be applied in payment of that Deferred Interest on that Interest Payment Date in accordance with paragraphs (vi)(B), (vii)(B), and (viii)(B) below.
- (iii) Interest shall accrue on the aggregate outstanding amount of Deferred Interest in respect of a Class B Note, Class C Note or a Class D Note on each day that such Deferred Interest remains outstanding but has not yet become due and payable (excluding the amount, if any, of Deferred Interest which is paid or discharged on that day and excluding each day, if any, where Deferred Interest is paid on a later date in accordance with Condition 6 because the due date is not a Local Business Day) at the same Rate of Interest applicable to that Class B Note, Class C Note or a Class D Note during the Interest Period in which that day falls.

In these Conditions "**Additional Interest**" means in respect of a Class B Note, Class C Note or a Class D Note on any date the aggregate amount of interest which has accrued under this paragraph (iii) which remains outstanding on that date. Additional Interest shall cease to accrue on Deferred Interest when such Deferred Interest becomes due and payable.

The full amount of Additional Interest in relation to a Class B Note, Class C Note or a Class D Note shall be due and payable on the first date upon which the whole Principal Liability Outstanding in respect of that Class B Note, Class C Note or a Class D Note becomes due for redemption and, prior to that date, shall be due and payable on each Interest Payment Date only to the extent of the amount to be applied in payment of such Additional Interest on that Interest Payment Date in accordance with paragraphs (vi)(C), (vii)(C), and (viii)(C) below.

- (iv) Interest shall accrue on the aggregate outstanding amount of Normal Interest, Deferred Interest and Additional Interest in respect of a Note (being the "**Overdue Interest**") on each day that Overdue Interest in relation to that Note is due and payable but remains outstanding (excluding the amount, if any, of Overdue Interest which is paid or discharged on that day and excluding each day, if any, where Overdue Interest is paid on a later date in accordance with Condition 6 because the due date is not a Local Business Day) at the same Rate of Interest applicable to that Note during the Interest Period relating to that Note in which that day falls.

In these Conditions "**Default Interest**" means in respect of a Note on any date the aggregate amount of interest which has accrued under this paragraph (iv) which remains outstanding on that date.

The full amount of Default Interest in relation to a Note shall be due and payable on the first date upon which the whole Principal Liability Outstanding in respect of that Note becomes due for redemption and, prior to that date, shall be due and payable on each Interest Payment Date relating to that Note only to the extent of the amount to be applied in payment of such Default Interest on that Interest Payment Date in accordance with paragraphs (v)(B), (vi)(D), (vii)(D) or (viii)(D) below (as applicable).

- (v) On each Interest Payment Date which occurs prior to the Security becoming enforceable, the amount available under the Revenue Priority of Payments to be applied on that Interest Payment Date in payment of interest in respect of the Class A Notes will be applied as follows:

The rate of interest applicable from time to time to each class of Notes (the "**Rate of Interest**") will be determined by Citibank, N.A., London Branch acting as reference agent (the "**Reference Agent**", which expression shall include its successors as Reference Agent under the Agency Agreement) on the basis of the following provisions:

- (i) In these Conditions:

"Interest Determination Date" means in relation to an Interest Period for which the applicable Rate of Interest shall apply, the first day of the Interest Period;

 - (B) if the Reference Agent is unable to determine a Reference Rate under paragraph (A) above, the Reference Agent shall determine that Reference Rate using the Reference Banks (if two or more Reference Banks are appointed by the Issuer) if, upon the Reference Agent requesting the relevant Reference Quotations from the principal London office of each of the Reference Banks, at least two of such Reference Banks provide the relevant details of those Reference Quotations to the Reference Agent; or

- (C) if only one Reference Bank appointed by the Issuer provides the Reference Agent with the relevant Reference Quotations under paragraph (B) above, the Reference Agent shall determine the relevant Reference Rate using the Reference Quotations of that Reference Bank and Reference Quotations of any additional bank which the Trustee may (but shall be under no obligation to do so) indicate to the Reference Agent is, in the opinion of the Trustee, suitable to be and shall be treated as an additional Reference Bank for such purpose on that Interest Determination Date; or
 - (D) if no Reference Bank has been appointed, or if Reference Banks have been appointed but none provides the Reference Agent with the relevant Reference Quotations under paragraph (B) above, the Reference Agent shall determine the relevant Reference Rate using the Reference Quotations of two other banks which the Trustee may (but shall be under no obligation to do so) indicate to the Reference Agent are, in the opinion of the Trustee, suitable to be and shall be treated as Reference Banks for such purpose on that Interest Determination Date; or
 - (E) if the Trustee does not provide the indication contemplated under paragraph (C) above or does not provide either or both of the indications contemplated under paragraph (D) above (as applicable), or the relevant additional bank under paragraph (C) above or either or both of the other banks under paragraph (D) above (as applicable) does not or do not provide the relevant Reference Quotations, then the Reference Agent shall determine the relevant Reference Rate to be the most recent Reference Rate for that class which was determined under either paragraph (A) or (B) above.

$$\text{Calculation Amount} \times \text{Calculation Interest Rate} \times x \frac{\text{Calculation Period}}{365}$$

- (ii) The Reference Agent will, as soon as practicable after the Quotation Time on each Interest Determination Date relating to a Note:
 - (A) first determine the Rate of Interest applicable to that Note under Condition 4(c) for the Interest Period relating to that Interest Determination Date; and
 - (B) then, separately for each class of Notes to which that Interest Determination Date relates, calculate an amount in respect of that class in accordance with Condition 4(d)(i) using that Rate of Interest as the Calculation Interest Rate, using the actual number of days in that Interest Period as the Calculation Period and:
 - (1) in the case of the first Interest Determination Date for that class, using the aggregate Initial Principal Amount (as defined in Condition 5(b)) of that class of Notes as the Calculation Amount; and
 - (2) in the case of each other Interest Determination Date for that class, using as the Calculation Amount the aggregate Principal Liability Outstanding which will remain in respect of that class of Notes after the application of any Available Redemption Funds on the first day of the Interest Period to which that Interest Determination Date relates; and
 - (C) then, in relation to each such class, calculate the aggregate amount of Normal Interest which will accrue on each Note in that class during that Interest Period by apportioning the amount calculated in relation to that class under paragraph (B) above between the Notes in that class pro rata to the Principal Amount Outstanding which will remain in respect of each Note in that class after the application of any Available Redemption Funds on the first day of the Interest Period to which that Interest Determination Date relates, rounding each amount so apportioned down to the nearest Note Currency Unit.

The amount calculated in respect of a Note under paragraph (C) above shall be the "**Interest Payment**" in respect of that Note on that Interest Determination Date relating to that Interest Period.

- (iii) On (or as soon as practicable after) the last Business Day of the month preceding the month in which an Interest Payment Date falls, the Issuer shall determine (or cause the Administrator to determine):
 - (A) the amount, if any, of Normal Interest which will be paid on each Note on that Interest Payment Date;

- (B) the amount, if any, of Deferred Interest which will be paid on each Class B Note, Class C Note and Class D Note on that Interest Payment Date;
- (C) the amount, if any, of Deferred Interest which will have accrued and remain outstanding on each Class B Note, Class C Note and Class D Note on that Interest Payment Date (taking account of all payments to be made on that Interest Payment Date);
- (D) the amount, if any, of Additional Interest which will have accrued on each Class B Note, Class C Note and Class D Note during the Interest Period ending on (but excluding) that Interest Payment Date by:
 - (1) separately calculating for each Class B Note, Class C Note and Class D Note an amount in respect of such Note in accordance with Condition 4(d)(i) using the Rate of Interest applicable to Additional Interest in respect of that Interest Period as the Calculation Interest Rate, using the actual number of days in that Interest Period as the Calculation Period, and using the aggregate amount of Deferred Interest outstanding in respect of that class of Notes as at the end of the first day of that Interest Period as the Calculation Amount; and
 - (2) then apportioning the amount calculated in relation to that class under paragraph (1) above between the Notes in that class pro rata to the aggregate amount of Deferred Interest outstanding in relation to each Note in that class, rounding each amount so apportioned down to the nearest Note Currency Unit;
- (E) the amount, if any, of Additional Interest which will be paid on each Class B Note, Class C Note and Class D Note on that Interest Payment Date;
- (F) the amount, if any, of Additional Interest which will have accrued and remain outstanding on each Class B Note, Class C Note and Class D Note on that Interest Payment Date (taking account of all payments to be made on that Interest Payment Date);
- (G) the amount, if any, of Default Interest which will have accrued on each Note during the Interest Period ending on (but excluding) that Interest Payment Date by:
 - (1) separately calculating for each class of Notes an amount in respect of that class in accordance with Condition 4(d)(i) using the Rate of Interest applicable to Default

Interest in respect of that Interest Period as the Calculation Interest Rate, using the actual number of days in that Interest Period as the Calculation Period, and using the aggregate amount of Overdue Interest outstanding in respect of that class of Notes as at the end of the first day of that Interest Period as the Calculation Amount; and

(2) then apportioning the amount calculated in relation to that class under paragraph (1) above between the Notes in that class pro rata to the aggregate amount of Overdue Interest outstanding in relation to each Note in that class, rounding each amount so apportioned down to the nearest Note Currency Unit;

(H) the amount, if any, of Default Interest which will be paid on each Note on that Interest Payment Date; and

(I) the amount, if any, of Default Interest which will have accrued and remain outstanding on each Note on that Interest Payment Date (taking account of all payments to be made on that Interest Payment Date).

(e) ***Publication of Rate of Interest and Interest Payments***

The Reference Agent will cause the Rate of Interest and the Interest Payment applicable to each class of Notes for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Trustee, the Paying Agents, the Administrator and, for so long as any Notes are listed by the U.K. Listing Authority and admitted to trading on the Regulated Market of the London Stock Exchange plc (the "**London Stock Exchange**"), the London Stock Exchange, and will cause the same to be published in accordance with Condition 12 on or as soon as possible after the date of commencement of the relevant Interest Period.

The Issuer will cause the Deferred Interest (if any), the Additional Interest (if any) and the Default Interest (if any) applicable to the Class B Notes, Class C Notes and/or Class D Notes (as the case may be) for each Interest Period to be notified to the Trustee, the Paying Agents and (for so long as the Class B Notes, Class C Notes and/or Class D Notes (as the case may be) are listed by the U.K. Listing Authority and admitted to trading on the London Stock Exchange) the London Stock Exchange, and will cause the same to be published in accordance with Condition 12 no later than the eighth Business Day prior to the relevant Interest Payment Date.

(f) ***Determination or Calculation by Trustee***

If the Reference Agent at any time for any reason does not determine the Rate of Interest or calculate an Interest Payment for a Note or Notes of a particular class in accordance with paragraph (d) above, the Trustee (or an agent on its behalf) may (but shall be under no obligation to do so) determine the Rate of Interest for such Note or Notes at such rate as, in its absolute discretion (having such regard as it shall think fit to the procedure described in paragraph (c) above, but subject to the terms of the Trust Deed), it shall deem fair and reasonable in all the circumstances or, as the case may be, the Trustee (or an agent on its behalf) may (but shall be under no obligation to do so) calculate the Interest Payment for such Note or Notes in accordance with paragraph (d) above, and each such determination or calculation shall be deemed to have been made by the Reference Agent.

(g) ***Reference Banks and Reference Agent***

The Issuer will procure that, so long as any of the Notes remains outstanding, there will at all times be a Reference Agent and the Issuer shall use reasonable endeavours to appoint Reference Banks or, as the case may be, additional or other Reference Banks pursuant to Conditions 4(c)(ii)(C) or 4(c)(ii)(D), in each case if the Reference Screen is not available. The Issuer reserves the right at any time to terminate the appointment of the Reference Agent or of any Reference Bank. Notice of any such termination will be given to Noteholders. If any person shall be unable or unwilling to continue to act as a Reference Bank or the Reference Agent (as the case may be), or if the appointment of any Reference Bank or the Reference Agent shall be terminated, the Issuer will, with the approval of the Trustee, appoint a successor Reference Bank or Reference Agent (as the case may be) to act as such in its place, **provided that** neither the resignation nor removal of the Reference Agent shall take effect until a successor Reference Agent approved by the Trustee has been appointed.

The "**Principal Liability Outstanding**" of a Note on any date shall be the Initial Principal Amount of that Note less the aggregate amount of all Principal Payments in respect of that Note that have been paid prior to such date.

The "**Initial Principal Amount**" in relation to each Note means the initial face principal amount of that Note upon issue of the relevant Global Note relating to that Note.

- (ii) The Issuer, by not later than two Business Days prior to the relevant Interest Payment Date, will cause each determination of a Principal Payment, Principal Amount Outstanding, Principal Liability Outstanding and Pool Factor to be notified to the Trustee, the Principal Paying Agent, the Reference Agent and (for so long as the relevant Notes are listed by the U.K. Listing Authority and admitted to trading on the London Stock Exchange) the London Stock Exchange and will cause details of each determination of a Principal Payment, Principal Liability Outstanding, Principal Amount Outstanding and Pool Factor to be published in accordance with Condition 12 on the next following Business Day, or as soon as practicable thereafter. If no Principal Payment is due to be made on the Notes of a particular class on any Interest Payment Date a notice to this effect will be given to the Noteholders of that class.
- (iii) If the Issuer does not at any time for any reason determine (or cause the Administrator to determine) a Principal Payment, the Principal Amount Outstanding, the Principal Liability Outstanding or the Pool Factor applicable to Notes of a particular class in accordance with the preceding provisions of this paragraph, such Principal Payment, Principal Amount Outstanding, Principal Liability Outstanding and Pool Factor may be determined by the Trustee or its agent (but the Trustee shall be under no obligation to do so) in accordance with this paragraph (b) and paragraph (a) above (but based on the information in its possession as to the Available Redemption Funds) and each such determination or calculation shall be deemed to have been made by the Issuer.

(c) ***Redemption for Taxation or Other Reasons***

If the Issuer satisfies the Trustee immediately prior to giving the notice referred to below that either:

- (i) on the next Interest Payment Date:
 - (A) the Issuer or any Paying Agent would be required to deduct or withhold from any payment of principal or interest in respect of any Notes; or
 - (B) the Issuer or any Hedge Provider would be required to deduct or withhold from amounts payable by it under any Hedge Agreement,

any amount for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by the United Kingdom or any other jurisdiction or any political sub division thereof or any authority thereof or therein; or
- (ii) the total amount payable in respect of interest in relation to any of the Mortgages for an Interest Period ceases to be receivable (whether or not actually received) by the Issuer during such Interest Period; or
- (iii) the Issuer would, by virtue of a change in tax law (or the application or official interpretation thereof) applicable in the Issuer's jurisdiction, not be taxed in accordance with Regulation 14 of The Taxation of Securitisation Companies Regulations (SI2006/3296),

then the Issuer may, but shall not be obliged to, redeem all (but not some only) of the Notes at their Principal Liability Outstanding together with all accrued interest **provided that** each of the following conditions is satisfied:

- (i) the Issuer has given written notice in accordance with Condition 12 not more than 90 days and not less than 20 days before that Interest Payment Date to the Trustee and the Noteholders in that class of its intention to redeem that class under this Condition 5(c); and
 - (ii) the Issuer will be in a position on that Interest Payment Date to discharge (and so certifies to the Trustee):
 - (A) all its liabilities in respect of each class of Notes on that Interest Payment Date (including, in each case, all accrued Normal Interest, Deferred Interest, Additional Interest and Default Interest outstanding); and
 - (B) all amounts required under the Deed of Charge to be paid in priority to or *pari passu* with those liabilities.
- (d) ***Optional Redemption in Full***

On any Interest Payment Date the Issuer may redeem all (but not some only) of the Notes at their Principal Liability Outstanding together with all accrued interest provided that each of the following conditions is satisfied:

- (i) the Issuer has given written notice in accordance with Condition 12 not more than 90 days and not less than 20 days before that Interest Payment Date to the Trustee and the Noteholders of its intention to redeem the Notes under this Condition 5(d); and
- (ii) if an Event of Default has occurred or occurs on or before that Interest Payment Date, no Enforcement Notice has been served; and
- (iii) the Issuer will be in a position on that Interest Payment Date to discharge (and so certifies to the Trustee):
 - (A) all its liabilities in respect of the Notes to be redeemed by the Issuer on that Interest Payment Date (including, in each case, all accrued Normal Interest, Deferred Interest, Additional Interest and Default Interest outstanding); and
 - (B) all amounts required under the Deed of Charge to be paid in priority to or pari passu with those liabilities; and
- (iv) if that Interest Payment Date will fall prior to December 2018, then on that Interest Payment Date the aggregate Principal Liability Outstanding of all of the Notes is less than 10 per cent. of the Initial Principal Amount of all of the Notes.

(e) ***Redemption on Maturity***

If not otherwise redeemed, the Notes of each class will be redeemed at their Principal Liability Outstanding on the Interest Payment Date falling in June 2042 (the "**Final Maturity Date**").

(f) ***Purchases***

The Issuer may not purchase any Notes.

(g) ***Cancellation***

All Notes redeemed in full pursuant to the foregoing provisions will be cancelled forthwith and may not be resold or reissued.

(h) ***Certification***

For the purposes of matters to be certified by the Issuer to the Trustee for the purposes of any redemption made pursuant to Condition 5(c) or Condition 5(d), as the case may be, the Trustee may rely upon any certificate of two Directors of the Issuer and such certificate shall be conclusive and binding on the Issuer and the Holders of each class of Notes to be redeemed pursuant to that Condition.

(g) ***Duty to maintain a Paying Agent***

The initial Principal Paying Agent is Citibank, N.A., London Branch at its office at Citigroup Centre, Canada Square, Canary Wharf, London E14 5LB. The Issuer may at any time (with the previous written approval of the Trustee) vary or terminate the appointment of any Paying Agent and appoint additional or other Paying Agents, provided that it will at all times maintain a Paying Agent having a specified office in the City of London (the "**London Paying Agent**") and a Paying Agent (which may be the London Paying Agent) in an EU member state that will not be obliged to withhold or deduct amounts for and on account of tax pursuant to EU Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive and, in the case of the Paying Agent for the Notes, require that such Paying Agent's office for administering payments in respect of such Notes is located outside the United States or its possessions. All payments in respect of the Notes will be made without withholding or deduction for, or on account of, any present or future taxes, duties or charges of whatsoever nature unless the Issuer or any Paying Agent is required by applicable law, including any Directive of the European Union, to make any payment in respect of the Notes subject to any withholding or deduction for, or on account of, any present or future taxes, duties or charges of whatsoever nature. In that event the Issuer or such Paying Agent (as the case may be) shall make such payment after such withholding or deduction has been made and shall account to the relevant authorities for the amount so required to be withheld or deducted. Neither the Issuer nor the Paying Agents will be obliged to make any additional payments to holders of Notes in respect of such withholding or deduction.

Notwithstanding any other provision in these Conditions, the Issuer shall be permitted to withhold or deduct any amounts required by the rules of U.S. Internal Revenue Code Sections 1471 through 1474 (or any amended or successor provisions), pursuant to any inter-governmental agreement, or implementing legislation adopted by another jurisdiction in connection with these provisions, or pursuant to any agreement with the US Internal Revenue Service ("**FATCA withholding**"). 8. **Prescription**

Claims against the Issuer for payments in respect of principal or interest on the Notes shall be prescribed and become void unless made within 10 years from the Relevant

The Trustee shall send the Principal Paying Agent a copy of any Enforcement Notice or other notice which the Trustee gives to the Issuer under this Condition 9 for release into the Clearing Systems and notification to the Noteholders.

"Issuer Insolvency Event" means:

10. **Enforcement and Limited Recourse**

(a) **Enforcement**

At any time after the Notes become due and repayable at their Principal Liability Outstanding pursuant to Condition 9 the Trustee may, at its discretion and without further notice, take such steps and/or institute such proceedings as it may think fit to enforce the Security for the Notes and to enforce repayment of the Notes and payment of interest, but it shall not be bound to take any such steps or proceedings unless (i) it shall have been so directed in writing by the holders of at least one-quarter of the aggregate of the Principal Amount Outstanding of the Most Senior Class of Notes or it shall have been so directed by an Extraordinary Resolution of the holders of the Most Senior Class of

Notes and (ii) it shall have been indemnified and/or secured and/or prefunded to its satisfaction.

Notwithstanding the foregoing:

- (i) if the Class A Notes have become due and repayable pursuant to these Conditions otherwise than by reason of a default in payment of any amount due on the Class A Notes, the Trustee will not be entitled to dispose of the Charged Property unless either a sufficient amount would be realised to allow discharge in full of all amounts owing to the Class A Noteholders and other creditors of the Issuer ranking in priority thereto or pari passu therewith or the Trustee is of the opinion, reached after considering at any time and from time to time the advice of an investment bank or other financial adviser selected by the Trustee, that the cash flow prospectively receivable by the Issuer will not (or that there is a significant risk that it will not) be sufficient, having regard to any other relevant actual, contingent or prospective liabilities of the Issuer, to discharge in full in due course all amounts owing to the Class A Noteholders and any other amounts payable by the Issuer ranking in priority thereto or pari passu therewith;
- (ii) **provided that** all of the Class A Notes have been redeemed in full, so long as any of the Class B Notes remains outstanding, if the Class B Notes have become due and repayable pursuant to these Conditions otherwise than by reason of a default in payment of any amount due on the Class B Notes, the Trustee will not be entitled to dispose of the Charged Property unless either a sufficient amount would be realised to allow discharge in full of all amounts owing to the Class B Noteholders and other creditors of the Issuer ranking in priority thereto or pari passu therewith or the Trustee is of the opinion, reached after considering at any time and from time to time the advice of an investment bank or other financial adviser selected by the Trustee, that the cash flow prospectively receivable by the Issuer will not (or that there is a significant risk that it will not) be sufficient, having regard to any other relevant actual, contingent or prospective liabilities of the Issuer, to discharge in full in due course all amounts owing to the Class B Noteholders and any other amounts payable by the Issuer ranking in priority thereto or pari passu therewith;
- (iii) **provided that** all of the Class A Notes and the Class B Notes have been redeemed in full, so long as any of the Class C Notes remains outstanding, if the Class C Notes have become due and repayable pursuant to these Conditions otherwise than by reason of a default in payment of any amount due on the Class C Notes, the Trustee will not be entitled to dispose of the Charged Property unless either a sufficient amount would be realised to allow discharge in full of all amounts owing to the Class C Noteholders and other creditors of the Issuer ranking in priority thereto or pari passu therewith or the Trustee is of the opinion, reached after considering at any time and from time to time the advice of an investment bank or other financial adviser selected by the Trustee, that the cash flow prospectively receivable by

the Issuer will not (or that there is a significant risk that it will not) be sufficient, having regard to any other relevant actual, contingent or prospective liabilities of the Issuer, to discharge in full in due course all amounts owing to the Class C Noteholders and any other amounts payable by the Issuer ranking in priority thereto or pari passu therewith;

- (iv) **provided that** all of the Class A Notes, Class B Notes and the Class C Notes have been redeemed in full, so long as any of the Class D Notes remains outstanding, if the Class D Notes have become due and payable pursuant to these Conditions otherwise than by reason of a default in payment of any amount due on the Class D Notes, the Trustee will not be entitled to dispose of the Charged Property unless either a sufficient amount would be realised to allow discharge in full of all amounts owing to the Class D Noteholders and other creditors of the Issuer ranking in priority thereto or pari passu therewith or the Trustee is of the opinion, reached after considering at any time and from time to time the advice of an investment bank or other financial adviser selected by the Trustee, that the cash flow prospectively receivable by the Issuer will not (or that there is a significant risk that it will not) be sufficient, having regard to any other relevant actual, contingent or prospective liabilities of the Issuer, to discharge in full in due course all amounts owing to the Class D Noteholders and any other amounts payable by the Issuer ranking in priority thereto or pari passu therewith.

No Noteholder may proceed directly against the Issuer unless the Trustee, having become bound to take steps and/or proceed, fails to do so within a reasonable time and such failure is continuing.

(b) **Limited Recourse**

If at any time following:

- (i) the occurrence of either:
- (A) the Interest Payment Date falling in June 2042 or any earlier date upon which all of the Notes of each Class are due and payable; or
 - (B) the service of an Enforcement Notice; and
- (ii) Realisation of the Charged Property and application in full of any amounts available to pay amounts due and payable under the Notes in accordance with the applicable Payments Priorities,

the proceeds of such Realisation are insufficient, after the same have been allocated in accordance with the applicable priority of payments, to pay in full all claims ranking in priority to the Notes and all amounts then due and payable under any class of Notes then the amount remaining to be paid (after such application in full of the amounts first referred to in paragraph (b) above) under such class of Notes (and any class of Notes junior to that class of Notes)

shall, on the day following such application in full of the amounts referred to in paragraph (b) above, cease to be due and payable by the Issuer.

For the purposes of this Condition 10:

"Realisation" means, in relation to any Charged Property, the deriving, to the fullest extent practicable, (in accordance with the provisions of the Relevant Documents) of proceeds from or in respect of such Charged Property including (without limitation) through sale or through performance by an obligor.

"Charged Property" means the property of the Issuer which is subject to the Security.

11. **Replacement of Notes**

If any Note is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the Specified Office of the Registrar upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence and indemnity as the Issuer and the Registrar may reasonably require. Mutilated or defaced Notes must be surrendered before replacements will be issued.

12. **Notices**

All notices to Noteholders or any category of them shall be deemed to have been duly given to those Noteholders:

- (a) if information concerned in such notice shall appear on the relevant page of the Reuters Screen (presently page PGCPM21) or such other medium for the electronic display of data as may be approved by the Trustee and notified to Noteholders (the "**Relevant Screen**"), and in such case such notice shall be deemed to have been given on the first date on which such information appeared on the Relevant Screen; or
- (b) if published in the Financial Times or, if such newspaper shall cease to be published or, if timely publication therein is not practicable, in such other leading daily newspaper or newspapers printed in the English language as the Trustee shall approve in advance having (individually or in combination) a general circulation in the United Kingdom, Europe and in each such case such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made in the manner required in the newspaper or in one of the newspapers referred to above; or
- (c) if sent to them by first class post (or its equivalent) or (if posted to an address outside the United Kingdom) by airmail at the respective addresses on the Register, and in such case such notice will be deemed to have been given on the fourth day after the date of posting; or
- (d) whilst the Notes then held by those Noteholders are represented by a Global Note to Euroclear and/or Clearstream, Luxembourg for communication by them to those Noteholders, and in such case such notice shall be deemed to

have been given to the relevant Noteholders on the day of such delivery to Euroclear and/or Clearstream, Luxembourg, as appropriate; or

- (e) any other method or methods of giving notice sanctioned in advance by the Trustee if, in the Trustee's sole opinion, such other method or methods is/are reasonable having regard to market practice then prevailing and to the requirements of the stock exchanges, competent listing authorities and/or quotation systems on or by which the Notes are then listed, quoted and/or traded and **provided that** notice of such other method or methods is/are given to those Noteholders in such manner as the Trustee shall require,

and where a notice is given to those Noteholders using more than one of the methods described in the above paragraphs of this Condition, such notice shall be deemed to have been given on the first date on which such notice is deemed to have been given under those paragraphs.

While the Notes are listed on the official list maintained by the U.K. Listing Authority, copies of all notices given in accordance with these provisions shall be sent to a regulatory information service prescribed by the prospectus rules of the U.K. Listing Authority and to Euroclear and Clearstream, Luxembourg.

13. **Meetings of Noteholders; Modifications; Consents; Waiver**

The Trust Deed contains provisions for convening meetings of all Noteholders or Noteholders holding Notes of the same class (the "**Relevant Noteholders**") to consider any matter affecting the interests of those Relevant Noteholders including, among other things, the sanctioning by Extraordinary Resolution of a modification of their Notes (including these Conditions as they relate to their Notes) or the provisions of any of the Relevant Documents.

In these Conditions a "**Basic Terms Modification**" means a modification of certain terms including, among other things, a modification which would have the effect of altering the date of maturity of any of the Notes, or postponing any day for payment of interest in respect of any of the Notes, reducing or cancelling the amount of principal payable in respect of any of the Notes, or reducing the rate of interest applicable to any of the Notes, or altering the majority required to pass an Extraordinary Resolution, or altering the currency of payment of any of the Notes, or altering the date or priority of redemption of any of the Notes.

The quorum at any meeting of the Relevant Noteholders for passing an Extraordinary Resolution of the Relevant Noteholders shall be two or more persons holding or representing over 50 per cent. of the aggregate Principal Amount Outstanding of the Notes then outstanding held by the Relevant Noteholders or, at any adjourned meeting, two or more persons being or representing the Relevant Noteholders whatever the aggregate Principal Amount Outstanding of the Notes then outstanding so held or represented except that, at any meeting the business of which includes the sanctioning of a Basic Terms Modification, the necessary quorum for passing an Extraordinary Resolution by the Relevant Noteholders shall be two or more persons holding or representing over 75 per cent. of the aggregate Principal Amount Outstanding of the Notes held by the Relevant Noteholders, or at any adjourned such meeting two or more persons holding or representing over 25 per cent. of the

aggregate Principal Amount Outstanding of the Notes held by the Relevant Noteholders. The quorum at any meeting of the Relevant Noteholders of any class of Notes for all business other than voting on an Extraordinary Resolution shall be two or more persons holding or representing not less than 5 per cent. of the aggregate Principal Amount Outstanding held by the Relevant Noteholders or at any adjourned such meeting, two or more persons being or representing the Relevant Noteholders, whatever the aggregate Principal Amount Outstanding of the Notes held by the Relevant Noteholders. While any Notes are represented by a Global Note or all such Notes are held by the same person, the holder of that Global Note or that person (as the case may be) or their respective proxy shall be deemed to constitute a quorum for the purposes of meetings of or including the Relevant Noteholders of those Notes.

The majority required for an Extraordinary Resolution, including the sanctioning of a Basic Terms Modification, shall be 75 per cent. of the votes cast on that Extraordinary Resolution. Any other resolution shall be decided by a simple majority of votes cast (and in a case of equality of votes the Chairman of the relevant meeting shall have a casting vote).

The Trust Deed contains provisions limiting the powers of the Class B Noteholders, Class C Noteholders and Class D Noteholders, among other things, to request or direct the Trustee to take any action or to pass an effective Extraordinary Resolution, according to the effect thereof on the interests of the Class A Noteholders. In particular, in relation to each class of Notes:

- (a) no Extraordinary Resolution involving a Basic Terms Modification that is passed by the holders of one class of Notes shall be effective unless it is sanctioned by an Extraordinary Resolution of the holders of each of the other classes of Notes (to the extent that there are outstanding Notes in such other classes);
- (b) no Extraordinary Resolution to approve any matter other than a Basic Terms Modification of any class of Notes shall be effective unless it is sanctioned by an Extraordinary Resolution of the holders of each of the other classes of Notes ranking senior to such class (to the extent that there are outstanding Notes ranking senior to such class) unless the Trustee considers that the interests of each of the other classes of Notes ranking senior to such class would not be materially prejudiced by the implementation of such first mentioned Extraordinary Resolution;
- (c) any resolution passed at a meeting of Noteholders of one or more classes of Notes duly convened and held in accordance with the Trust Deed shall be binding upon all Noteholders of such class, whether or not present at such meeting and whether or not voting and, except in the case of a meeting relating to a Basic Terms Modification, any resolution passed at a meeting of the holders of the Most Senior Class of Notes duly convened and held as aforesaid shall also be binding upon the holders of all the other classes of Notes and will override any resolution to the contrary of the other classes of Notes; and

- (d) an Extraordinary Resolution passed at any meeting of Relevant Noteholders shall be binding on all those Relevant Noteholders whether or not they are present at the meeting.

The Trustee may agree, without the consent of the Noteholders:

- (i) to any modification (except a Basic Terms Modification) of, or to the waiver or authorisation of any breach or proposed breach of, the Notes (including these Conditions) or any of the Relevant Documents, which is not, in the opinion of the Trustee, materially prejudicial to the interests of the Noteholders; or
- (ii) to any modification of the Notes (including these Conditions) or any of the Relevant Documents which, in the Trustee's opinion, is to correct a manifest error or is of a formal, minor or technical nature.

The Trustee may also, without the consent of the Noteholders, determine that any Event of Default or any condition, event or act which with the giving of notice and/or lapse of time and/or the issue of a certificate would constitute an Event of Default shall not, or shall not subject to specified conditions, be treated as such.

Any such modification, waiver, authorisation or determination shall be binding on the Noteholders and, unless the Trustee agrees otherwise, any such modification shall be notified to the Noteholders in accordance with Condition 12 as soon as practicable thereafter.

14. **Additional Right of Modification**

Notwithstanding any of the provisions of Condition 13 (*Meetings of Noteholders; Modifications; Consents; Waiver*), the Trustee shall be obliged, without any consent or sanction of the Noteholders, or, subject to Condition 14(g)(C) below, any of the other Secured Creditors, to concur with the Issuer in making any modification (other than in respect of a Basic Terms Modification) to these Conditions or any other Relevant Document to which it is a party or in relation to which it holds security that the Issuer considers necessary:

- (a) for the purpose of complying with, or implementing or reflecting, any change in the criteria of one or more of the Rating Agencies which may be applicable from time to time, provided that:
 - (i) the Issuer (or the Administrator on its behalf) certifies in writing to the Trustee that such modification is necessary to comply with such criteria or, as the case may be, is solely to implement and reflect such criteria; and
 - (ii) in the case of any modification to a Relevant Document proposed by any of the Hedge Providers or the Administrator in order (x) to remain eligible to perform its role in such capacity in conformity with such criteria and/or (y) to avoid taking action which it would otherwise be required to take to enable it to continue performing such role (including, without limitation, posting collateral or advancing funds):

- (A) the relevant Hedge Provider or the Administrator, as the case may be, certifies in writing to the Issuer or the Trustee that such modification is necessary for the purposes described in paragraph (ii)(x) and/or (y) above (and in the case of a certification provided to the Issuer, the Issuer shall certify to the Trustee that it has received the same from the relevant Hedge Provider or the Administrator, as the case may be);
 - (B) either:
 - (1) the relevant Hedge Provider or the Administrator, as the case may be, obtains from each of the Rating Agencies written confirmation (or certifies in writing to the Issuer and the Trustee that it has been unable to obtain written confirmation, but has received oral confirmation from an appropriately authorised person at each of the Rating Agencies) that such modification would not result in a downgrade, withdrawal or suspension of the then current ratings assigned to any Class of the Notes by such Rating Agency and would not result in any Rating Agency placing any Notes on rating watch negative (or equivalent) and, if relevant, delivers a copy of each such confirmation to the Issuer and the Trustee; or
 - (2) the Issuer (or the Administrator on its behalf) certifies in writing to the Trustee that the Rating Agencies have been informed of the proposed modification and none of the Rating Agencies has indicated that such modification would result in (x) a downgrade, withdrawal or suspension of the then current ratings assigned to any Class of the Notes by such Rating Agency or (y) such Rating Agency placing any Notes on rating watch negative (or equivalent); and
 - (C) the relevant Hedge Provider or the Administrator, as the case may be, pays all costs and expenses (including legal fees) incurred by the Issuer and the Trustee in connection with such modification;
- (b) in order to enable the Issuer and/or the Hedge Providers to comply with:
- (i) any obligation which applies to it under Articles 9, 10 and 11 of Regulation (EU) 648/2012 of the European Parliament and of the Council on OTC derivatives, central counterparties and trade repositories dated 4 July 2012 (including, without limitation, any associated regulatory technical standards and advice, guidance or recommendations from relevant supervisory regulators) ("**EMIR**"); or
 - (ii) any other obligation which applies to it under EMIR,

provided that the Issuer (or the Administrator on its behalf) or the relevant Hedge Provider, as appropriate, certifies to the Trustee in writing that such modification is required solely for the purpose of enabling it to satisfy such obligation and has been drafted solely to such effect;

- (c) for the purpose of complying with any changes in the requirements of Article 405 of Regulation (EU) No. 575/2013 (the "**CRR**"), Article 17 of the Alternative Investment Fund Managers Directive ("**AIFMD**") and Article 51 of Regulation (EU) No 231/2013 (the "**AIFMR**") or Section 15G of the Securities Exchange Act of 1934, as added by section 941 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, after the Closing Date, including as a result of the adoption of Regulatory Technical Standards in relation to the CRR or the AIFMR or any other risk retention legislation or regulations or official guidance in relation thereto, provided that the Issuer (or the Administrator on its behalf) certifies to the Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (d) for the purpose of enabling the Notes to be (or to remain) listed on the London Stock Exchange, provided that the Issuer (or the Administrator on its behalf) certifies to the Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (e) for the purposes of enabling the Issuer or any other person that is party to a Relevant Document (a "**Transaction Party**") to comply with Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 (the "**Code**"), any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such Sections of the Code ("**FATCA**") (or any voluntary agreement entered into with a taxing authority in relation thereto), provided that the Issuer or the Administrator on its behalf) or the relevant Transaction Party, as applicable, certifies to the Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (f) for the purpose of complying with any changes in the requirements of the Credit Rating Agencies Regulation after the Closing Date, including as a result of the adoption of Regulatory Technical Standards in relation to the Credit Rating Agencies Regulation or regulations or official guidance in relation thereto, provided that the Issuer (or the Administrator on its behalf) certifies to the Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (g) for the purposes of enabling the Issuer (or the Administrator on its behalf) to transfer (i) the Transaction Account from the Transaction Account Bank to HSBC Bank plc and/or Citibank N.A., London Branch; or (ii) the Collection Account from the Collection Account Bank to HSBC Bank plc, provided that in each case the Issuer (or the Administrator on its behalf) certifies to the Trustee in writing that such modification is required solely for such purpose

and has been drafted solely to such effect and that the conditions stipulated in clause 6.6.3 of the Administration Agreement have been satisfied,

(the certificate to be provided by the Issuer (or the Administrator on its behalf), the Hedge Provider or the relevant Transaction Party, as the case may be, pursuant to paragraphs (a) to (g) above being a "**Modification Certificate**"), provided that:

- (i) at least 30 calendar days' prior written notice of any such proposed modification has been given to the Trustee;
- (ii) the Modification Certificate in relation to such modification shall be provided to the Trustee both at the time the Trustee is notified of the proposed modification and on the date that such modification takes effect; and
- (iii) the consent of each Secured Creditor (other than any Noteholder) which is party to the Relevant Document has been obtained,

and provided further that, other than in the case of a modification pursuant to Condition 14(b)(i), Condition 14(b)(ii) or Condition 14(g):

- (iv) other than in the case of a modification pursuant to Condition 14(a)(ii), either:
 - (A) the Issuer (or the Administrator on its behalf) obtains from each of the Rating Agencies written confirmation (or certifies in the Modification Certificate that it has been unable to obtain written confirmation, but has received oral confirmation from an appropriately authorised person at each of the Rating Agencies) that such modification would not result in (x) a downgrade, withdrawal or suspension of the then current ratings assigned to any Class of the Notes by such Rating Agency or (y) such Rating Agency placing any Notes on rating watch negative (or equivalent); or
 - (B) the Issuer (or the Administrator on its behalf) certifies in the Modification Certificate that it has informed the Rating Agencies of the proposed modification and none of the Rating Agencies has indicated that such modification would result in (x) a downgrade, withdrawal or suspension of the then current ratings assigned to any Class of the Notes by such Rating Agency or (y) such Rating Agency placing any Notes on rating watch negative (or equivalent); and
- (v) (I) the Issuer has provided at least 30 calendar days' notice to the Noteholders of each Class of the proposed modification in accordance with Condition 12 (Notices) and by publication on Bloomberg on the "**Company News**" screen relating to the Notes, and (II) Noteholders representing at least 10 per cent. of the aggregate Principal Amount Outstanding of the most senior Class of Notes then outstanding have

not contacted the Principal Paying Agent or the Issuer in writing (or otherwise in accordance with the then current practice of any applicable clearing system through which such Notes may be held) within such notification period notifying the Principal Paying Agent or the Issuer that such Noteholders do not consent to the modification.

If (other than in the case of a modification pursuant to Condition 14(b)(i), Condition 14(b)(ii) or Condition 14(g)) Noteholders representing at least 10 per cent. of the aggregate Principal Amount Outstanding of the most senior Class of Notes then outstanding have notified the Principal Paying Agent or the Issuer in writing (or otherwise in accordance with the then current practice of any applicable clearing system through which such Notes may be held) within the notification period referred to above that they do not consent to the modification, then such modification will not be made unless an Extraordinary Resolution of the Noteholders of the most senior Class of Notes then outstanding is passed in favour of such modification in accordance with Condition 13 (Meetings of Noteholders; Modifications; Consents; Waiver).

Objections made in writing other than through the applicable clearing system must be accompanied by evidence to the Trustee's satisfaction (having regard to prevailing market practices) of the relevant Noteholder's holding of the Notes.

Other than where specifically provided in this Condition 14 (Additional Right of Modification) or any Relevant Document:

- (i) when implementing any modification pursuant to this Condition 14 (Additional Right of Modification) (save to the extent the Trustee considers that the proposed modification would constitute a Basic Terms Modification), the Trustee shall not consider the interests of the Noteholders, any other Secured Creditor or any other person and shall act and rely solely and without further investigation on any certificate or evidence provided to it by the Issuer or the relevant Transaction Party, as the case may be, pursuant to this Condition 14 (Additional Right of Modification) and shall not be liable to the Noteholders, any other Secured Creditor or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person; and
- (ii) the Trustee shall not be obliged to agree to any modification which, in the sole opinion of the Trustee would have the effect of (i) exposing the Trustee to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (ii) increasing the obligations or duties, or decreasing the rights or protection, of the Trustee in the Relevant Documents and/or these Conditions.

Any such modification shall be binding on all Noteholders and shall be notified by the Issuer as soon as reasonably practicable to:

- (iii) so long as any of the Notes rated by the Rating Agencies remains outstanding, each Rating Agency;

- (iv) the Secured Creditors; and
- (v) the Noteholders in accordance with Condition 12 (Notices).

15. Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking proceedings to realise the Security and to obtain repayment of the Notes unless indemnified and/or secured and/or prefunded to its satisfaction. For the avoidance of doubt, whenever the Trustee is bound, under the provisions of the Trust Deed, to act at the request or direction of the Noteholders, the Trustee shall nevertheless not be so bound unless first indemnified and/or secured and/or prefunded to its satisfaction. The Trustee is entitled to enter into business transactions with the Issuer and/or any other party to the Relevant Documents without accounting for any profit resulting from such transactions. The Trustee will not be responsible for any loss, expense or liability which may be suffered as a result of any assets comprised in the Security, or any deeds or documents of title thereto, being uninsured or inadequately insured or being held by or to the order of the Administrator or any of its affiliates or by clearing organisations or their operators or by any person on behalf of the Trustee.

16. Limitation of Liability of Trustee

The Trustee will not be responsible for any loss, expense or liability which may be suffered as a result of any assets comprised in the Security, or any deeds or documents of title thereto, being uninsured or inadequately insured or being held by or to the order of the Administrator or any of its affiliates or by clearing organisations or their operators or by any person on behalf of the Trustee.

Clause 7 of the Substitute Administrator Agreement limits the liability of the Substitute Administrator to zero unless such liability results from the negligence or wilful misconduct of the Substitute Administrator under the Substitute Administrator Agreement or any other Relevant Document, in its role as:

- (a) Substitute Administrator; and
- (b) where it is appointed to carry out the duties of the Administrator, as Administrator,

in which case such liability is limited to £10,000,000 in aggregate for any calendar year.

The Noteholders will have no recourse to the Trustee in any circumstances whatsoever for any liability which would have been recoverable but for the effect of Clause 7 of the Substitute Administrator Agreement.

17. Notifications and Other Matters to be Final

Notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of the Notes, whether by the Reference Banks (or any of them), the Reference Agent, the Issuer, the Administrator(s) or the Trustee, shall (in the absence of wilful default, bad

faith or manifest error) be binding on the Issuer, the Reference Banks, the Reference Agent, the Trustee, the Administrator(s), the Principal Paying Agent, the other Paying Agents (if any) and all Noteholders and (subject as aforesaid) no liability to the Issuer, the Administrator or the Noteholders shall attach to the Reference Banks, the Reference Agent, the Issuer, the Administrator(s) or the Trustee in connection with the exercise or non-exercise by them of their powers, duties and discretions.

18. **The Contracts (Rights of Third Parties) Act 1999**

The Notes confer no rights on any person pursuant to the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Notes, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

19. **Governing Law and Jurisdiction**

The Notes and all non-contractual obligations arising from or connected with the Notes are governed by, and shall be construed in accordance with, English law. The Issuer has agreed in the Trust Deed that the courts of England shall have non exclusive jurisdiction to hear and determine any suit, action or proceedings, and to settle any disputes, which may arise out of or in connection with the Notes (respectively, the "**Proceedings**" and "**Disputes**") and, for such purposes, irrevocably submits to the jurisdiction of such courts. In the Trust Deed, the Issuer has waived any objection which it might now or hereafter have to the courts of England being nominated as the forum to hear and determine any Proceedings and to settle any Disputes, and agreed not to claim that any such court is not a convenient or appropriate forum.
