**provided always that:**

- (i) none of the above representations or warranties is (or shall be treated or deemed to be) in respect of the future credit-worthiness of any Borrower;
- (ii) without prejudice to paragraph (bb) of Clause 6.2, the Sellers do not, and nothing herein shall be taken to imply that the Sellers do, expressly or impliedly represent or warrant that as at the Closing Date no term of any Mortgage is incapable of being found by a court of competent jurisdiction or considered by the Office of Fair Trading to be an unfair term for the purposes of the Unfair Terms in Consumer Contracts Regulations 1994 or 1999 or that any pre-payment charge relating to a redemption of a Mortgage is enforceable; and
- (iii) notwithstanding anything to the contrary in any of the Relevant Documents the representations and warranties given in this Clause 6.2 shall only be given, in relation to the sale and purchase of the Mortgages, on the Closing Date by reference to the facts and circumstances existing immediately prior to the completion of such purchase by the Issuer on such date and shall not be, or be deemed to be, given or repeated at any other time whatsoever.

- 6.3 Each Seller warrants and represents to the Issuer and the Trustee that as at the date hereof the Prospectus contains all information with regard to it and its business, the Mortgages, the Properties, the Lending Guidelines, and the Insurance Contracts which is material in the context of the issue of the Notes and the Residual Certificates and that such information is true and accurate in all material respects and is not misleading in any material respect, that the opinions and intentions expressed therein relating to it and its business, the Mortgages, the Properties, the Lending Guidelines, and the Insurance Contracts are honestly held, that there are no other facts the omission of which would make any of such information or the expression of any such opinions or intentions misleading in any material respect and that each Seller has made all reasonable enquiries to ascertain all facts material for the purposes aforesaid.
- 6.4 Each Seller confirms, for the avoidance of doubt, that if, after the Closing Date, any Mortgage in respect of which it has given warranties pursuant to Clause 6.2 is converted into any other type of Mortgage in accordance with the Administration Agreement, such conversion shall not by itself affect the warranties already given as aforesaid but such warranties shall not be, or be deemed to be, given or repeated at the time of such conversion and the accuracy (or otherwise) of such warranties shall only be measured by reference to the facts and circumstances existing at the date on which such warranties were given. This confirmation is only given in respect of the Mortgages (if any) converted as aforesaid and not in respect of any other Mortgage (unless such other Mortgage is also so converted, in which case the said confirmation shall apply to such other Mortgage in the same terms as the preceding sentence, *mutatis mutandis*).
- 6.5 Each Mortgagee severally undertakes in respect of each Mortgage sold by it that it will proceed with all due diligence to do and complete all such acts and things, and to execute any necessary deeds and documents, as may be requested by the Issuer and/or the Trustee to perfect the title of the Issuer to the relevant Mortgage and the other benefits and rights agreed to be sold hereunder, subject to clause 4.4 of the Administration Agreement.
- 6.6 In the event that:
- (a) there is as at the Closing Date a material breach of any of the representations and warranties of any Seller contained in Clause 6.2 (other than paragraph (kk), thereof to which the provisions of paragraph (d) of Clause 12 will apply) in respect of or concerning any Mortgage which (being capable of being remedied) the relevant Seller shall fail to remedy within 28 days (or such longer period not exceeding 35 days as the Issuer and the Trustee may agree) of receipt of written notice of such breach from the Issuer or the Trustee, or which is not capable of being remedied;
  - (b) had the references in the representations and warranties given by any Seller as at the Closing Date in paragraph (aa) of Clause 6.2 to "Mortgagee" been references instead to PML or Paragon Bank, each in its capacity as an Administrator (*mutatis mutandis*), there would have been as at the Closing Date a material breach ("**deemed breach**") of such representations and warranties as at the Closing Date in respect of or concerning any Mortgage and either the relevant Seller shall have failed to remedy such deemed breach (if capable of being remedied) within 28 days (or such longer period not exceeding 35 days as the Issuer and the Trustee may agree) of receipt of written notice of such

deemed breach from the Issuer or the Trustee or such deemed breach shall not be capable of being remedied;

- (c) a term of any Individual Mortgage is at any time on or after the Closing Date found by a competent court whether on the application of a Borrower, the Financial Conduct Authority or otherwise to be an unfair term for the purposes of the Unfair Terms in Consumer Contracts Regulations 1994 or 1999;
- (d) the first two payments due in respect of any Mortgage have fallen due and have not been received in full; or
- (e) either PML or Paragon Bank, in its capacity as an Administrator, intends to agree to any request by a Borrower to convert his Mortgage (or, in the case of a default by a Borrower, itself elects to convert such Borrower's Mortgage) to an Interest Rate Converted Mortgage and the Interest Rate Converted Mortgage Conditions are not satisfied on the date of conversion,

the Issuer shall sell and the relevant Seller shall repurchase the Mortgage concerned (whether or not such Mortgage in fact exists or is valid and binding and/or enforceable) (the "**Relevant Mortgage**" which expression shall, where the context so admits, include any other Mortgage secured upon the Property) together with (if applicable) the benefit of the Insurance Contracts to the extent they relate to the Relevant Mortgage and if applicable the benefit of any Basis Hedge Agreement to the extent that it relates thereto.

- 6.7 If at any time a Seller is obliged to repurchase a Mortgage pursuant to Clause 6.6 and such Mortgage is in respect of a Property which is also subject to a second mortgage which also constitutes a Mortgage (the "**Relevant Second Mortgage**"), then, that Seller will also at the same time be obliged to repurchase or procure the repurchase of, the Relevant Second Mortgage as though there had also been a breach of warranty in respect of the Relevant Second Mortgage (whether or not there has in fact been a breach of warranty in respect of the Relevant Second Mortgage). In such circumstances, references in this Clause 6 to the Relevant Mortgage shall be read and construed as references to both the Relevant Mortgage (as defined above) and the Relevant Second Mortgage.
- 6.8 Completion of any repurchase pursuant to Clause 6.6 shall take place not later than 10 days after the expiry of such 28 days' (or other longer) notice period as is referred to in paragraph (a) or (b) of Clause 6.6 or, if the relevant breach referred to in paragraph (a) or (b) of Clause 6.6 is not capable of remedy or if the repurchase is a result of the circumstance in paragraphs (c) and (d) of Clause 6.6, after receipt by the relevant Seller of written notice of such breach or circumstance from the Issuer or the Trustee or if the repurchase is a result of the circumstance in paragraph (e) of Clause 6.6 on the date set out in the notice delivered to the Issuer and that Seller by the relevant Administrator pursuant to paragraph (e) of Clause 6.6, when that Seller shall pay into the Transaction Account or as the Trustee shall direct an amount equal to the aggregate of the outstanding principal amount of the Relevant Mortgage as at the date of the repurchase of the Relevant Mortgage together with interest accrued from the Closing Date (but which has not been paid) and costs up to (but excluding) the date of completion of the repurchase of the Relevant Mortgage.

6.9 Against payment and/or, as the case may be, transfer on completion of any repurchase pursuant to Clause 6.6, the Issuer and the Trustee shall at the expense of the relevant Seller complete such documentation as is necessary to perfect a release of their respective interests in the Relevant Mortgage and its collateral security (including the benefit of the Insurance Contracts) to the extent they relate to the Relevant Mortgage and, if applicable, such Basis Hedge Agreement to the extent that it relates to the Relevant Mortgage. The Issuer and the Trustee hereby confirm that the powers of attorney set out in Schedule 3 and Schedule 4 the Administration Agreement, as applicable, (once executed) shall subsist to the extent applicable in relation to Relevant Mortgages and (if applicable) the benefit of a Basis Hedge Agreement which the Seller has repurchased notwithstanding the termination of PML's and/or Paragon Bank's appointment as Administrator under that agreement and the Trustee shall in addition to the said power of attorney give such further or other authority as may be reasonably requested by that Seller for the purpose of releasing its interest in the Relevant Mortgage and (if applicable) the benefit of a Basis Hedge Agreement which that Seller has repurchased. Any such repurchase by that Seller or any person which that Seller shall nominate shall constitute a full discharge and release from any claims which the Issuer or the Trustee may have against it arising from any breach of representation or warranty in relation to the Relevant Mortgage only and shall not affect any rights arising from a breach of representation or warranty in relation to any other Mortgage.

6.10 Each Seller hereby undertakes with the Issuer and the Trustee:

- (a) if and for so long as it has an interest in a Mortgage (not being a Mortgage that has been repurchased pursuant to Clause 6.6) by virtue of its remaining the legal or beneficial owner or heritable creditor of such Mortgage, it shall not sell, transfer, charge, dispose of or otherwise deal with such interest save in the event of redemption in full by the relevant Borrower and it shall not consent to the creation of any mortgage or other security interest in or over the relevant Property without using its reasonable endeavours to ensure that such mortgage or other security interest and all sums secured thereby will rank after such Mortgage in point of priority;
- (b) that, in respect of any Mandatory Further Advance or any Discretionary Further Advance other than of the kind referred to in clause 8.2.3 of the Administration Agreement to be made after the date hereof, it shall not waive the Lending Guidelines other than in respect of any waiver which may have been made by a reasonably prudent mortgage lender;
- (c) promptly to notify them if it receives after the date hereof written notice of any litigation or claim calling into question in any material way the title to any such Mortgage or if it becomes aware of any material breach of any of its representations, warranties, undertakings and other obligations under this Agreement;
- (d) if reasonably required so to do by the Issuer or the Trustee, to participate or join in and to procure that any other Mortgagee participates and joins in any legal proceedings to the extent necessary in defending or contesting any litigation calling into question in any material way the title to any such Mortgage or in any legal proceedings against the Borrower or in relation to the enforcement of any Mortgage;

- (e) if reasonably required so to do by the Issuer or the Trustee, to pursue all claims against the Land Registry of England and Wales under the Land Registration Act 2002 with respect to any such Mortgage and to account promptly to the Issuer for any amounts recovered by it pursuant to any such claim; and
- (f) to maintain its registered office in England and Wales.

6.11 For as long as each Seller holds any Residual Certificates, such Seller represents and warrants to the Issuer that it is and will be as at each date on which a payment under the Residual Certificates is due to be paid to it, beneficially entitled to Residual Payments on the Residual Certificates and is resident for tax purposes in the United Kingdom.

## 7. **RE-ASSIGNMENT OF RIGHTS OF THE ISSUER**

If a Seller makes any full payment (not involving a repurchase under Clause 6.6) to the Issuer pursuant to any claim made in relation to any representation, warranty or undertaking set out in Clause 6, the Issuer and the Trustee shall at the expense of that Seller re-assign to it all such rights as it may reasonably request against any third party which may enable it to recover all or part of any such payment. If a Seller pays to the Issuer or the Trustee an amount in respect of any claim under this Agreement and the Issuer or the Trustee subsequently recovers from a third party any sum in respect of the liability for such claim, the Issuer and the Trustee shall forthwith repay to it so much of the amount paid by it as does not exceed the sum recovered from the third party less all reasonable costs, charges and expenses incurred by the Issuer or the Trustee in recovering that sum from the third party.

## 8. **MERGER**

Any term of this Agreement to which effect is not given on the Closing Date (including in particular the liability of each Seller under the representations, warranties and undertakings contained in Clause 6) shall not merge and shall remain in full force and effect notwithstanding the completion and delivery of the Transfers.

## 9. **NO AGENCY OR PARTNERSHIP**

Nothing in this Agreement shall be construed as giving rise to any relationship of agency or partnership between any of the parties and in fulfilling its obligations hereunder, each party shall be acting entirely for its own account.

## 10. **PAYMENTS**

All payments to be made pursuant to this Agreement shall be made in sterling in immediately available funds and shall be deemed to be made when they are received by the payee.

## 11. **TAXATION**

11.1 All payments made by the Issuer under this Agreement shall be made free and clear of, and without withholding or deduction for, or on account of, any present or future taxes, duties or charges of whatsoever nature unless such withholding or deduction is required by applicable law. In that event the Issuer shall make such payment after such

withholding or deduction has been made and shall account to the relevant authorities for the amount so required to be withheld or deducted. The Issuer will not be obliged to make any additional payments to the Sellers or any assignee under Clause 16 of this Agreement.

- 11.2 All payments by the Issuer under this Agreement shall be deemed to be inclusive of VAT, if any, chargeable on any supply for which consideration (in whole or in part) for VAT purposes is provided and section 89 of the Value Added Tax Act 1994 shall not apply to affect the amount of such sum (or other consideration) payable (or provided).

## 12. LIABILITY

The Issuer and the Trustee severally acknowledge to each Seller and agree that:

- (a) no breach of any of the representations and warranties in, nor any act or omission in respect of, the provisions of Clause 6.2 shall give rise to any claim for damages on the part of the Issuer or the Trustee against any Mortgagee or any remedy whatsoever against any Mortgagee and the sole remedy of each of the Issuer and the Trustee in respect thereof (with the exception of the representation and warranty in paragraph (kk) of Clause 6.2 to which the provisions of paragraph (d) below will apply) shall be to take such action under Clause 6.6 as may be available to it and that no breach of, nor any act or omission in respect of, any warranty or representation other than those representations and warranties contained in Clause 6.2 (but not paragraph (kk) thereof) shall entitle the Issuer or the Trustee to require that Seller to repurchase any Mortgage in accordance with Clause 6.6 or otherwise **provided that** this paragraph (a) shall not limit the remedies available to the Issuer and/or the Trustee (or the exercise thereof) against the Seller if it, having become bound to repurchase a Mortgage in accordance with Clause 6.6, fails to do so;
- (b) subject and without prejudice to paragraph (a), no Mortgagee shall have any liability or responsibility (whether, in either case, contractual, tortious or delictual, express or implied) for any loss or damage for or in respect of any breach of, or any act or omission in respect of, any of the obligations on the part of the Borrower under any Mortgage suffered by the Issuer or the Trustee by reason of such breach, act or omission;
- (c) if, after the Closing Date, the terms of any Mortgage are varied or waived in any way with the consent of the Issuer and the Trustee (which shall include but not be limited to any rescheduling of the amounts secured by such Mortgage or renegotiation of such terms), the Issuer and the Trustee shall be subject to, and bound by, such variation or waiver and the Seller shall not have any obligation therefor or be in any way affected thereby; and
- (d) except in the case of fraud, no breach of the representation and warranty in, nor any act or omission in respect of, the provisions of paragraph (kk) of Clause 6.2 shall give rise to any claim for damages on the part of the Issuer or the Trustee or any other person against the relevant Seller or any right of action or remedy whatsoever against the Mortgagee and no breach of, nor any act or omission in respect of, the representation and warranty in paragraph (kk) of Clause 6.2 shall entitle the Issuer or the Trustee or any other person to require that Seller to

repurchase any Mortgage in accordance with Clause 6.6 or otherwise to any remedy against the Mortgagee or any other person but this paragraph (d) of Clause 12 is without prejudice to any obligation each Seller may have to repurchase any Individual Mortgage under paragraph (c) of Clause 6.6.

**13. FURTHER ASSURANCE**

The parties hereto agree that they will co-operate fully to do all such further acts and things and execute any further documents as may be necessary or desirable to give full effect to the arrangements contemplated by this Agreement.

**14. WAIVER**

Any exercise or failure to exercise any right under this Agreement shall not (unless otherwise herein provided) constitute a waiver of that or any other right.

**15. NOTICES**

## **SCHEDULE 5 LENDING GUIDELINES**

The guidelines provided by the Sellers, to help introducers of mortgage loan business to the Sellers to assess the suitability of a potential borrower and of the security offered, set a standard in respect of the Mortgages which, at the time that any Mortgage was originated was not substantially different from the following (which although expressed in the present tense, should be read as applying at the time of origination). On occasions flexibility to the lending guidelines may have been applied for applications that may be outside of the guidelines detailed below. Such occasions are exceptional and when they occur approval of the case must be made by a senior underwriter or in certain circumstances the credit committee, and only made where there are other mitigating circumstances which ensure the application remains of the highest quality:

### **1. Personal Details**

- 1.1 The maximum number of applicants who may be party to the mortgage is four.
- 1.2 All applicants must be a minimum of 18 years of age at completion.
- 1.3 The identity of each applicant or guarantor (where applicable) must be established in compliance with the current Joint Money Laundering Steering Group Guidance Notes.
- 1.4 The applicant must be resident in the United Kingdom, the Isle of Man, the Channel Islands or Gibraltar.

### **2. Corporate Mortgages**

- 2.1 The applicant must be an unlisted limited liability company incorporated and trading under the laws of England and Wales, Scotland, Northern Ireland, the Isle of Man, the Channel Islands or Gibraltar.
- 2.2 The Sellers may request references and/or any other information deemed necessary in connection with an application (such as company accounts, corporate searches at Companies Registry, the computerised index of winding up petitions, the manual index of High Court petitions for administration orders at the Central Registry of Winding Up Petitions, etc.).
- 2.3 All amounts payable under the corporate mortgage loan must be guaranteed by an individual who is a director of the applicant corporate borrower.

### **3. Mortgage Requirements**

- 3.1 Applications in respect of a single investment home property will usually be limited in accordance with the following table:

<i>Loan Size</i>	<i>Maximum LTV</i>
<i>Up to £500,000</i>	<i>80 per cent. Excluding fees</i>
<i>Up to £1,000,000</i>	<i>75 per cent. Excluding fees</i>
<i>Up to £2,000,000</i>	<i>70 per cent. Excluding Fees</i>

3.2 Multiple applications for investment home properties will be considered up to a total of £25,000,000 per borrower(s).

3.3 The maximum term for a loan is 30 years, the minimum is 5 years.

3.4 Loans may be taken on either a capital repayment or an interest only basis, or a combination of the two.

#### 4. **Property Details**

4.1 Loans must be secured on residential property which, following a valuation by the relevant Seller's valuer or a valuer appointed to act on the relevant Seller's behalf, or in the case of a further advance application, an assessed valuation by reference to an applicable house price index, is considered to be suitable security.

4.2 The following are unacceptable to the Sellers:

- Properties located other than in the U.K.
- Freehold flats and maisonettes (except in Scotland).
- Properties designated under the Housing Act 1985, the Housing (Scotland) Act 1987 or the Housing (Northern Ireland) Order 1983 (as amended).
- Properties having agricultural restrictions.
- Construction loans

4.3 The following will be considered by the Sellers on an individual basis:

- Properties used for part commercial purposes.
- Properties with adjoining land used for commercial purposes or having agricultural or other planning restrictions.
- Properties on which buildings insurance is not available on block policy terms.
- Flats directly attached to or directly above commercial premises.
- Properties with an element of flying freehold.

- Self build properties (post completion).
  - Local Authority flats being purchased under the Right to Buy Scheme.
- 4.4 Properties under 10 years old must have the benefit of an NHBC certificate or any other approved guarantee from an acceptable body. Architects' certificates must also be provided for each stage of construction together with Local Authority approval in respect of properties under 10 years old that do not have the benefit of an NHBC certificate or other approved guarantee from an acceptable body. Similar requirements may be imposed for converted properties.
- 4.5 Properties may be let on an assured shorthold tenancy basis (or, in Scotland, a short assured tenancy or, in Northern Ireland, an agreement which confers similar rights as an assured shorthold tenancy) or in circumstances where the occupier (which may include a body corporate, a charitable institution or public sector body) has no statutory security of tenure. Where the occupier is a body corporate, the maximum length of lease will normally be for a period no longer than 3 years. Where the occupier is a charitable institution or public sector body, the maximum length of lease will normally be for a period no longer than 5 years.
- 4.6 Where the tenure of the property is leasehold, the minimum length of the lease at the end of the mortgage term must be 35 years.
- 4.7 All properties must be insured for a minimum of the reinstatement amount shown on the valuation report, under a comprehensive insurance policy.

## 5. **Credit History**

- 5.1 A credit search will be carried out in respect of all applicants which must provide sufficient information to evidence a satisfactory credit profile. Where the search contains insufficient information to achieve this, further evidence will be required. This may include, for example, proof of mortgage payments, or satisfactory bank statements.

## 6. **Income and Employment Details: Mortgages originated prior to December 2016**

- 6.1 In the case of an investment home property, the Sellers will seek to use the rental income generated from the property to be mortgaged within an affordability calculation. The normal minimum rental value will be 130 per cent, or in certain circumstances 125 per cent, of the associated mortgage payment when calculated on an interest only basis at either the product rate or reference rate. The reference rate is based upon long term loan rates and is reviewed by the Company's Credit Committee on a quarterly basis. Its use removes anomalies in the affordability calculation which may be caused by, for example, specialist product rates, discounted rates, fixed rates etc.
- 6.2 Where rental income from an investment home property is deemed insufficient to fulfil paragraph 6.1 above, evidence of additional income will be required. This may include, for example, the latest or most recent P60, an employer's reference, audited accounts, bank statements or cash flow statements.

7. **Income and Employment Details: Mortgages originated after December 2016**

7.1 In the case of an investment home property, the Sellers will seek to use the rental income generated from the property to be mortgaged within an affordability calculation.

(a) **Limited Companies**

For landlords operating in a limited company structure who are borrowing against a single self-contained property, the normal minimum rental value will be 125 per cent of the associated mortgage payment when calculated on an interest only basis at the reference interest rate.

For houses in multiple occupation, multi-unit properties and part commercial properties, the normal minimum rental value will be 130 per cent of the associated mortgage payment when calculated on an interest only basis at the reference interest rate.

(b) **Individual Landlords: Basic Rate Tax Payers**

For individual landlords who are on the basic tax rate at the time of application (and are reasonably expected to remain so for the foreseeable future) and are borrowing against a single self-contained property, the normal minimum rental value will be 125 per cent of the associated mortgage payment when calculated on an interest only basis at the reference interest rate.

For houses in multiple occupation, multi-unit properties and part commercial properties, the normal minimum rental value will be 130 per cent of the associated mortgage payment when calculated on an interest only basis at the reference interest rate.

(c) **Individual Landlords: Higher Rate Tax Payers**

For individual landlords who are higher or additional rate tax payers at the time of application and are borrowing against a single self-contained property, the normal minimum rental value will be 140 per cent of the associated mortgage payment when calculated on an interest only basis at the reference interest rate.

For houses in multiple occupation, multi-unit properties and part commercial properties, the normal minimum rental value will be 145 per cent of the associated mortgage payment when calculated on an interest only basis at the reference interest rate.

(d) **Reference Interest Rate**

The reference interest rate for fixed rate mortgages of an initial term of 5 years or more is currently the higher of 4 per cent or the product charging rate, but this may vary with product change. The reference interest rate for all other mortgage products will be the higher of 5.5 per cent or the product charging rate plus 2%.

7.2 Where rental income from an investment home property is deemed insufficient to fulfil paragraph 7.1 above, evidence of income and expenditure will be required to

demonstrate that there is sufficient disposable income to maintain the loan repayments. In all cases for landlords with no more than three properties upon completion of the purchase for which the current application is being made, the property rental income must be sufficient to meet 125% @ 5.5 per cent or the product charging rate plus 2 per cent, before the contribution of personal income. All income must be evidenced.
