such Flexible Drawing Facility Advance does not exceed the reduced Flexible Drawing Facility Available Amount.

- 8.1 Interest on each Flexible Drawing Facility Advance shall accrue daily, shall be calculated on the outstanding daily balance of the Flexible Drawing Facility Advance on the basis of actual days elapsed and a 365 day year and shall, subject to Clauses 15.2 and 16, be payable by the Issuer to the Flexible Drawing Facility Provider, subject to and in accordance with the terms of the Deed of Charge, in arrear on the Repayment Date applicable to such Flexible Drawing Facility Advance.

- 8.4 In relation to each Flexible Drawing Facility Advance, at or about the Quotation Time on each Interest Rate Fixing Date in relation to such Flexible Drawing Facility Advance:
- (a) the Flexible Drawing Facility Provider shall determine the Reference Rate on the basis of Reference Quotations using the Reference Screen in respect of such Flexible Drawing Facility Advance; or
 - (b) if the Flexible Drawing Facility Provider is unable to determine a Reference Rate under Clause 8.4(a), the Flexible Drawing Facility Provider shall determine that Reference Rate using the Reference Banks if, upon the Flexible Drawing Facility Provider requesting the relevant Reference Quotations from the principal London office of each of the Reference Banks, at least two of such Reference Banks provide the relevant details of those Reference Quotations to the Flexible Drawing Facility Provider; or
 - (c) if only one Reference Bank provides the Flexible Drawing Facility Provider with the relevant Reference Quotations under Clause 8.4(b), the Flexible Drawing Facility Provider shall determine the relevant Reference Rate using the Reference Quotations of that Reference Bank and Reference Quotations of an additional bank which the Trustee indicates to the Flexible Drawing Facility Provider is, in the opinion of the Trustee, suitable to be and shall be treated as an additional Reference Bank for such purpose on that Interest Rate Fixing Date; or
 - (d) if no Reference Bank provides the Flexible Drawing Facility Provider with the relevant Reference Quotations under Clause 8.4(b), the Flexible Drawing Facility Provider shall determine the relevant Reference Rate using the Reference Quotations

of two other banks which the Trustee indicates to the Flexible Drawing Facility Provider are, in the opinion of the Trustee, suitable to be and shall be treated as Reference Banks for such purpose on that Interest Rate Fixing Date; or

- (e) if the Trustee does not provide the indication contemplated under Clause 8.4(c) or does not provide either or both of the indications contemplated under Clause 8.4(d) (as applicable), or the relevant additional bank under Clause 8.4(c) or either or both of the other banks under Clause 8.4(d) (as applicable) does not or do not provide the relevant Reference Quotations, then the Flexible Drawing Facility Provider shall determine the relevant Reference Rate to be the most recent Reference Rate which was determined under either Clause 8.4(a) or Clause 8.4(b) in respect of any Flexible Drawing Facility Advance.

9. Changes in circumstances

- 9.1 In the event that by reason of any future applicable treaty, law, regulation or regulatory requirement or any change in the official, generally published interpretation or application of any present or future applicable treaty, law, regulation or regulatory requirement the Flexible Drawing Facility Provider shall, after due consideration, be of the opinion that it would not be lawful for it to maintain or give effect to its obligations in respect of the Flexible Drawing Facility, the Flexible Drawing Facility Provider shall notify the Issuer in writing accordingly.

Upon receipt of such notice by the Issuer, the Flexible Drawing Facility Provider's obligation to make further Flexible Drawing Facility Advances shall immediately be cancelled and any Flexible Drawing Facility Advances then outstanding shall become immediately due and payable by the Issuer.

- 9.2 If either:

- (a) any change after the date of this Agreement in (or the introduction of) any applicable treaty, law, regulation or regulatory requirement or in the official, generally published interpretation or application thereof or any applicable direction, request or requirement (whether or not having the force of law) of any governmental, fiscal or monetary authority shall in any such case:
 - (1) subject the Flexible Drawing Facility Provider to any Tax, or increase the amount of any Tax (except for an increase resulting from a change in Tax rates), with respect to the Flexible Drawing Facility or any Flexible Drawing Facility Advance (other than Tax on the Flexible Drawing Facility Provider's income, profits or gains); or
 - (2) change the basis of Taxation of the Flexible Drawing Facility Provider in respect of payments of principal, interest or any other payment due or to become due pursuant to this Agreement (except for changes in the rate of Taxes on or measured by the Flexible Drawing Facility Provider's income, profits or gains); or
 - (3) change the basis of Taxation of the Flexible Drawing Facility Provider in respect of any principal or interest paid by it on, or otherwise in respect of, deposits from third parties acquired or utilised to effect or maintain any Flexible Drawing Facility Advance (except for changes in the rate of Taxes on or measured by the Flexible Drawing Facility Provider's income, profit or gains); or
 - (4) impose, modify or deem applicable any reserve, special deposit, cash ratio, liquidity, capital ratio or other requirement against or in respect of any, or any

class of any assets or liabilities (including contingent liabilities and commitments) of the Flexible Drawing Facility Provider; or

- (5) impose on the Flexible Drawing Facility Provider any other condition relating to or affecting its obligations under this Agreement or any part thereof; or
- (b) the Flexible Drawing Facility Provider complies with any applicable direction, request or requirement (whether or not having the force of law) of any government, fiscal or monetary authority made after the date hereof;

and the result of any of the foregoing (or, in the case of subparagraph (b) above, the result of the foregoing if following the relevant compliance the Flexible Drawing Facility Provider adopts no less prudent capital ratio, liquidity or other policies or standards than those previously adopted by it) is either:

- (A) to increase the direct or indirect cost to the Flexible Drawing Facility Provider of making available or in maintaining any Flexible Drawing Facility Advance; or
- (B) to reduce the amount of any payment received or receivable by the Flexible Drawing Facility Provider under this Agreement; or
- (C) to reduce its effective return on capital employed in support of the Flexible Drawing Facility or in connection with any Flexible Drawing Facility Advance,

in any such case by an amount which the Flexible Drawing Facility Provider reasonably deems to be material, then:

- (A) the Flexible Drawing Facility Provider shall promptly notify the Issuer and the Trustee of the happening of such event after it has become aware thereof; and
- (B) the Issuer shall, on the next Interest Payment Date and in accordance with the Deed of Charge, pay the Flexible Drawing Facility Provider on demand such amount(s) as the Flexible Drawing Facility Provider may certify (in a certificate which shall set out in reasonable detail so far as practicable the basis of the computation of such amounts) to be necessary to indemnify it against, as the case may be, such increased cost or such reduction; and
- (C) the Issuer shall be at liberty, subject to it having obtained all requisite authorisations and consents, at any time after receipt of any such notice, so long as the circumstances giving rise to such increased cost or, as the case may be, such reduction continue, on giving the Flexible Drawing Facility Provider not less than five Business Days' notice (which shall be irrevocable) and subject to repayment in full of the Flexible Drawing Facility Advance, to cancel the whole of the Flexible Drawing Facility and the Flexible Drawing Facility Limit shall be reduced to nil.

Any such demand as is referred to in this Clause 9.2 may be made by the Flexible Drawing Facility Provider at any time.

9.3 Upon the occurrence of any event as described in Clauses 9.1 or 9.2 above:

- (a) the Flexible Drawing Facility Provider shall, in consultation with the Issuer, take such reasonable steps as may reasonably be open to it to mitigate the effect of such circumstances and
- (b) the Issuer and the Flexible Drawing Facility Provider shall forthwith negotiate in good faith with a view to agreeing terms for making the Flexible Drawing Facility available

from another jurisdiction or for restructuring the Flexible Drawing Facility on a basis which is not unlawful or, subject to the relevant event or events referred to in Clause 9.2, for transferring its rights and obligations hereunder to another bank who has at that time the Flexible Drawing Facility Provider Required Rating;

provided that:

- (1) there shall be no obligation on the Flexible Drawing Facility Provider to take any steps if, in its reasonable opinion, the same would or might have a material adverse effect upon its business, operations or financial condition or to agree any terms which are economically materially disadvantageous to itself; and
- (2) that the Flexible Drawing Facility Provider shall not be under any obligation to continue any such negotiations as aforesaid if terms have not been agreed within 30 days after their commencement;

and in the case of (1) and (2), the Issuer shall be entitled on giving the Flexible Drawing Facility Provider not less than five Business Days' notice (which shall be irrevocable) and subject to repayment in full of the Flexible Drawing Facility Advance, to cancel the whole of the Flexible Drawing Facility, the Flexible Drawing Facility Limit and the Flexible Drawing Facility Commitment shall be reduced to nil.

10. Repayment of Flexible Drawing Facility Advances

- 10.1 Subject to the provisions of this Agreement and the Deed of Charge, the Issuer shall repay the principal outstanding amount of each Flexible Drawing Facility Advance in full to the Flexible Drawing Facility Provider on each Interest Payment Date to the extent that funds standing to the credit of the Principal Ledger are to be applied on such Interest Payment Date in accordance with Condition 5(a) in such repayment.

Notwithstanding the provisions of this Clause 10.1, if any repayment is received by the Flexible Drawing Facility Provider on a date which is not relevant Interest Payment Date, the Issuer shall additionally pay to the Flexible Drawing Facility Provider all costs (including broken funding costs, if any) arising as a consequence thereof.

- 10.2 The Issuer, subject to the terms and conditions of this Agreement, shall be entitled to re-borrow any amount repaid provided that the re-borrowing does not exceed the Flexible Drawing Facility Available Amount at any time.
- 10.3 In any event, the Issuer shall be obliged to repay together with accrued interest thereon each Flexible Drawing Facility Advance made to it in full to the Flexible Drawing Facility Provider on the date the Class A Notes are redeemed in full.

11. Cancellation

- 11.1 The Issuer may, with the prior written confirmation of the Rating Agencies that such cancellation will not cause the rating of the Notes to be downgraded and with the agreement of the Trustee, cancel the whole or any undrawn part of the Flexible Drawing Facility by giving the Flexible Drawing Facility Provider not less than five Business Days' prior notice specifying the date and amount of the proposed cancellation.

For the avoidance of doubt, the Flexible Drawing Facility Provider will not be required to enquire or seek confirmation of whether or not the Issuer has obtained such consent.

Any cancellation in part shall (unless, as a result of such cancellation, the Flexible Drawing Facility Commitment is to be reduced to zero) be in an amount or integral multiple of £100,000.

- 11.2 No cancellation pursuant to Clause 11.1 shall take effect to the extent that, as a result of such proposed cancellation, the principal amounts outstanding under the Flexible Drawing Facility would, at the time of such proposed cancellation, exceed the Flexible Drawing Facility Commitment.

The exercise of such rights of cancellation by the Issuer shall be without prejudice to the Issuer's right subsequently to decrease the Flexible Drawing Facility Limit as contemplated in the definition of Flexible Drawing Facility Limit.

- 11.3 Each notice of cancellation given pursuant to this Clause 11 shall be irrevocable and shall specify the date upon which such cancellation is to take effect.

- 11.4 If at any time:

- (a) all indebtedness owed to the Flexible Drawing Facility Provider by the Issuer hereunder has been paid in full; and
- (b) the Flexible Drawing Facility Commitment is cancelled or reduced to zero; and
- (c) the Flexible Drawing Facility Provider is under no further actual or contingent obligation hereunder,

then this Agreement shall terminate.

- 11.5 On the last day of the Flexible Drawing Facility Commitment Period the Flexible Drawing Facility Commitment shall be (if it has not already been) cancelled and reduced to zero.

12. Representations

- 12.1 The Issuer represents on the date hereof and on each date that an Flexible Drawing Facility Advance is made to the Issuer pursuant to Clause 7 that:

29.1 Clause 29.2 to Clause 29.5 (inclusive) shall come into effect on the date on which the United Kingdom participates in the third stage of European economic monetary union ("EMU") or otherwise participates in European economic monetary union with similar effect to such third stage (the "Commencement Date") provided that, if and to the extent that any such Clause relates to any state (or the currency of such state) which shall not be a participating member state on the Commencement Date, such Clause shall come into effect in relation to such state (and the currency of such state) on and from the date on which such state becomes a participating member state and further provided that on or before such date the Notes have been redenominated into euro.

29.2 Each obligation under this Agreement which has been denominated in a national currency unit shall be redenominated into euro in accordance with EMU legislation.

However if and to the extent that any EMU legislation provides that an amount (which is (a) denominated either in euro or in the national currency unit of a participating member state and (b) payable within that participating member state by crediting an account of the creditor) can be paid by the debtor either in euro or in that national currency unit, each party to this Agreement shall be entitled to pay or repay any such amount either in euro or in such national currency unit.

29.3 In relation to any amount denominated or to be denominated in euro or a national currency unit, any reference to a Business Day shall be construed as a reference to a day (other than a Saturday or Sunday) on which banks are generally open for business in:

- (a) London; and
- (b) the principal financial centre(s) in such participating member state(s) as the Flexible Drawing Facility Provider shall from time to time nominate for this purpose.

29.4 Following the Commencement Date, any amount payable by the Issuer to the Flexible Drawing Facility Provider under this Agreement in the currency of a participating member state shall be paid in immediately available, freely transferable cleared funds in euro or the national currency of the member state.

29.5 Without prejudice and in addition to any method of conversion or rounding prescribed by any EMU legislation:

- (a) each reference in this Agreement to a minimum amount (or an integral multiple thereof) in a national currency unit to be paid to the Flexible Drawing Facility Provider shall be replaced by a reference to such reasonably comparable and convenient amount (or an integral multiple thereof) in euro as the Flexible Drawing Facility Provider may from time to time specify: and
- (b) save as expressly provided in this Clause 29, this Agreement shall be subject to such reasonable changes of construction as the Flexible Drawing Facility Provider may from time to time specify to be necessary or appropriate to reflect the introduction of or changeover to the euro in participating member states,

Provided that this Clause shall not reduce or increase for the Flexible Drawing Facility Provider any actual or contingent liability arising under this Agreement and in so far as any costs are incurred by the Flexible Drawing Facility Provider, the Issuer shall from time to time on demand pay such amounts to the Flexible Drawing Facility Provider (other than any general overheads or internal costs incurred by the Flexible Drawing Facility Provider) as a result of the changeover to, introduction or operation of the euro in any participating member state.

30. Third Party Rights

No person, other than a party to this Agreement, shall have any right by virtue of the Contracts (Rights of Third Parties) Act 1999 to enforce any term (express or implied) of this Agreement but this is without prejudice to any right or remedy of a third party which may exist or be available apart from that Act.

31. Governing Law

This Agreement shall be governed by, and construed in accordance with, English law.

32. Jurisdiction

The Issuer, the Trustee and the Flexible Drawing Facility Provider irrevocably agree that the courts of England shall have jurisdiction to hear and determine any suit, action or proceeding, and to settle any disputes, which may arise out of or in connection with this Agreement and, for such purposes, irrevocably submit to the jurisdiction of such courts.

2. At or about 11.00 a.m. (London time) on the first day of each Term (or as soon as possible thereafter) the Flexible Drawing Facility Provider shall calculate, as a percentage rate per annum, a rate (the "**Additional Cost Rate**") for the Flexible Drawing Facility Provider, in accordance with the paragraphs set out below.

3. The Additional Cost Rate for the Flexible Drawing Facility Provider will be calculated as follows:

$$\frac{AB + C(B-D) + E \times 0.01}{100 - (A + C)} \text{ per cent. per annum}$$

Where:

- A is the percentage of Eligible Liabilities (assuming these to be in excess of any stated minimum) which that the Flexible Drawing Facility Provider is from time to time required to maintain as an interest free cash ratio deposit with the Bank of England to comply with cash ratio requirements.
 - B is the percentage rate of interest (excluding the Margin and the application of the Associated Costs Rate to the relevant Flexible Drawing Facility Advance and, to the extent that Clause 16 (Default Interest) applies to an amount in respect of any Flexible Drawing Facility Advance, one per cent per annum on such amount) payable for the relevant Term on the Loan.
 - C is the percentage (if any) of Eligible Liabilities which the Flexible Drawing Facility Provider is required from time to time to maintain as interest bearing Special Deposits with the Bank of England.
 - D is the percentage rate per annum payable by the Bank of England to the Flexible Drawing Facility Provider on interest bearing Special Deposits.
 - E is designed to compensate the Flexible Drawing Facility Provider for amounts payable under the Fees Rules and is calculated as being the average of the most recent rates of charge supplied by the Reference Banks to the Flexible Drawing Facility Provider and expressed in pounds per £1,000,000.
4. For the purposes of this Schedule:
 - (a) "**Eligible Liabilities**" and "**Special Deposits**" have the meanings given to them from time to time under or pursuant to the Bank of England Act 1998 or (as may be appropriate) by the Bank of England;

5. In application of the above formulae, A, B, C and D will be included in the formulae as percentages (i.e. 5 per cent. will be included in the formula as 5 and not as 0.05). A negative result obtained by subtracting D from B shall be taken as zero. The resulting figures shall be rounded to four decimal places.
 6. As and when required for the purposes of this Schedule, the Flexible Drawing Facility shall request each Reference Bank to supply to the Flexible Drawing Facility Provider, as soon as practicable after publication by the Financial Services Authority, the rate of charge payable by that Reference Bank to the Financial Services Authority pursuant to the Fees Rules in respect of the relevant financial year of the Financial Services Authority (calculated for this purpose by that Reference Bank as being the average of the Fee Tariffs applicable to that Reference Bank for that financial year) and expressed in pounds per £1,000,000 of the Tariff Base of that Reference Bank.
 7.
